

A COLLECTION OF CONVERSATIONS

Dedicated to

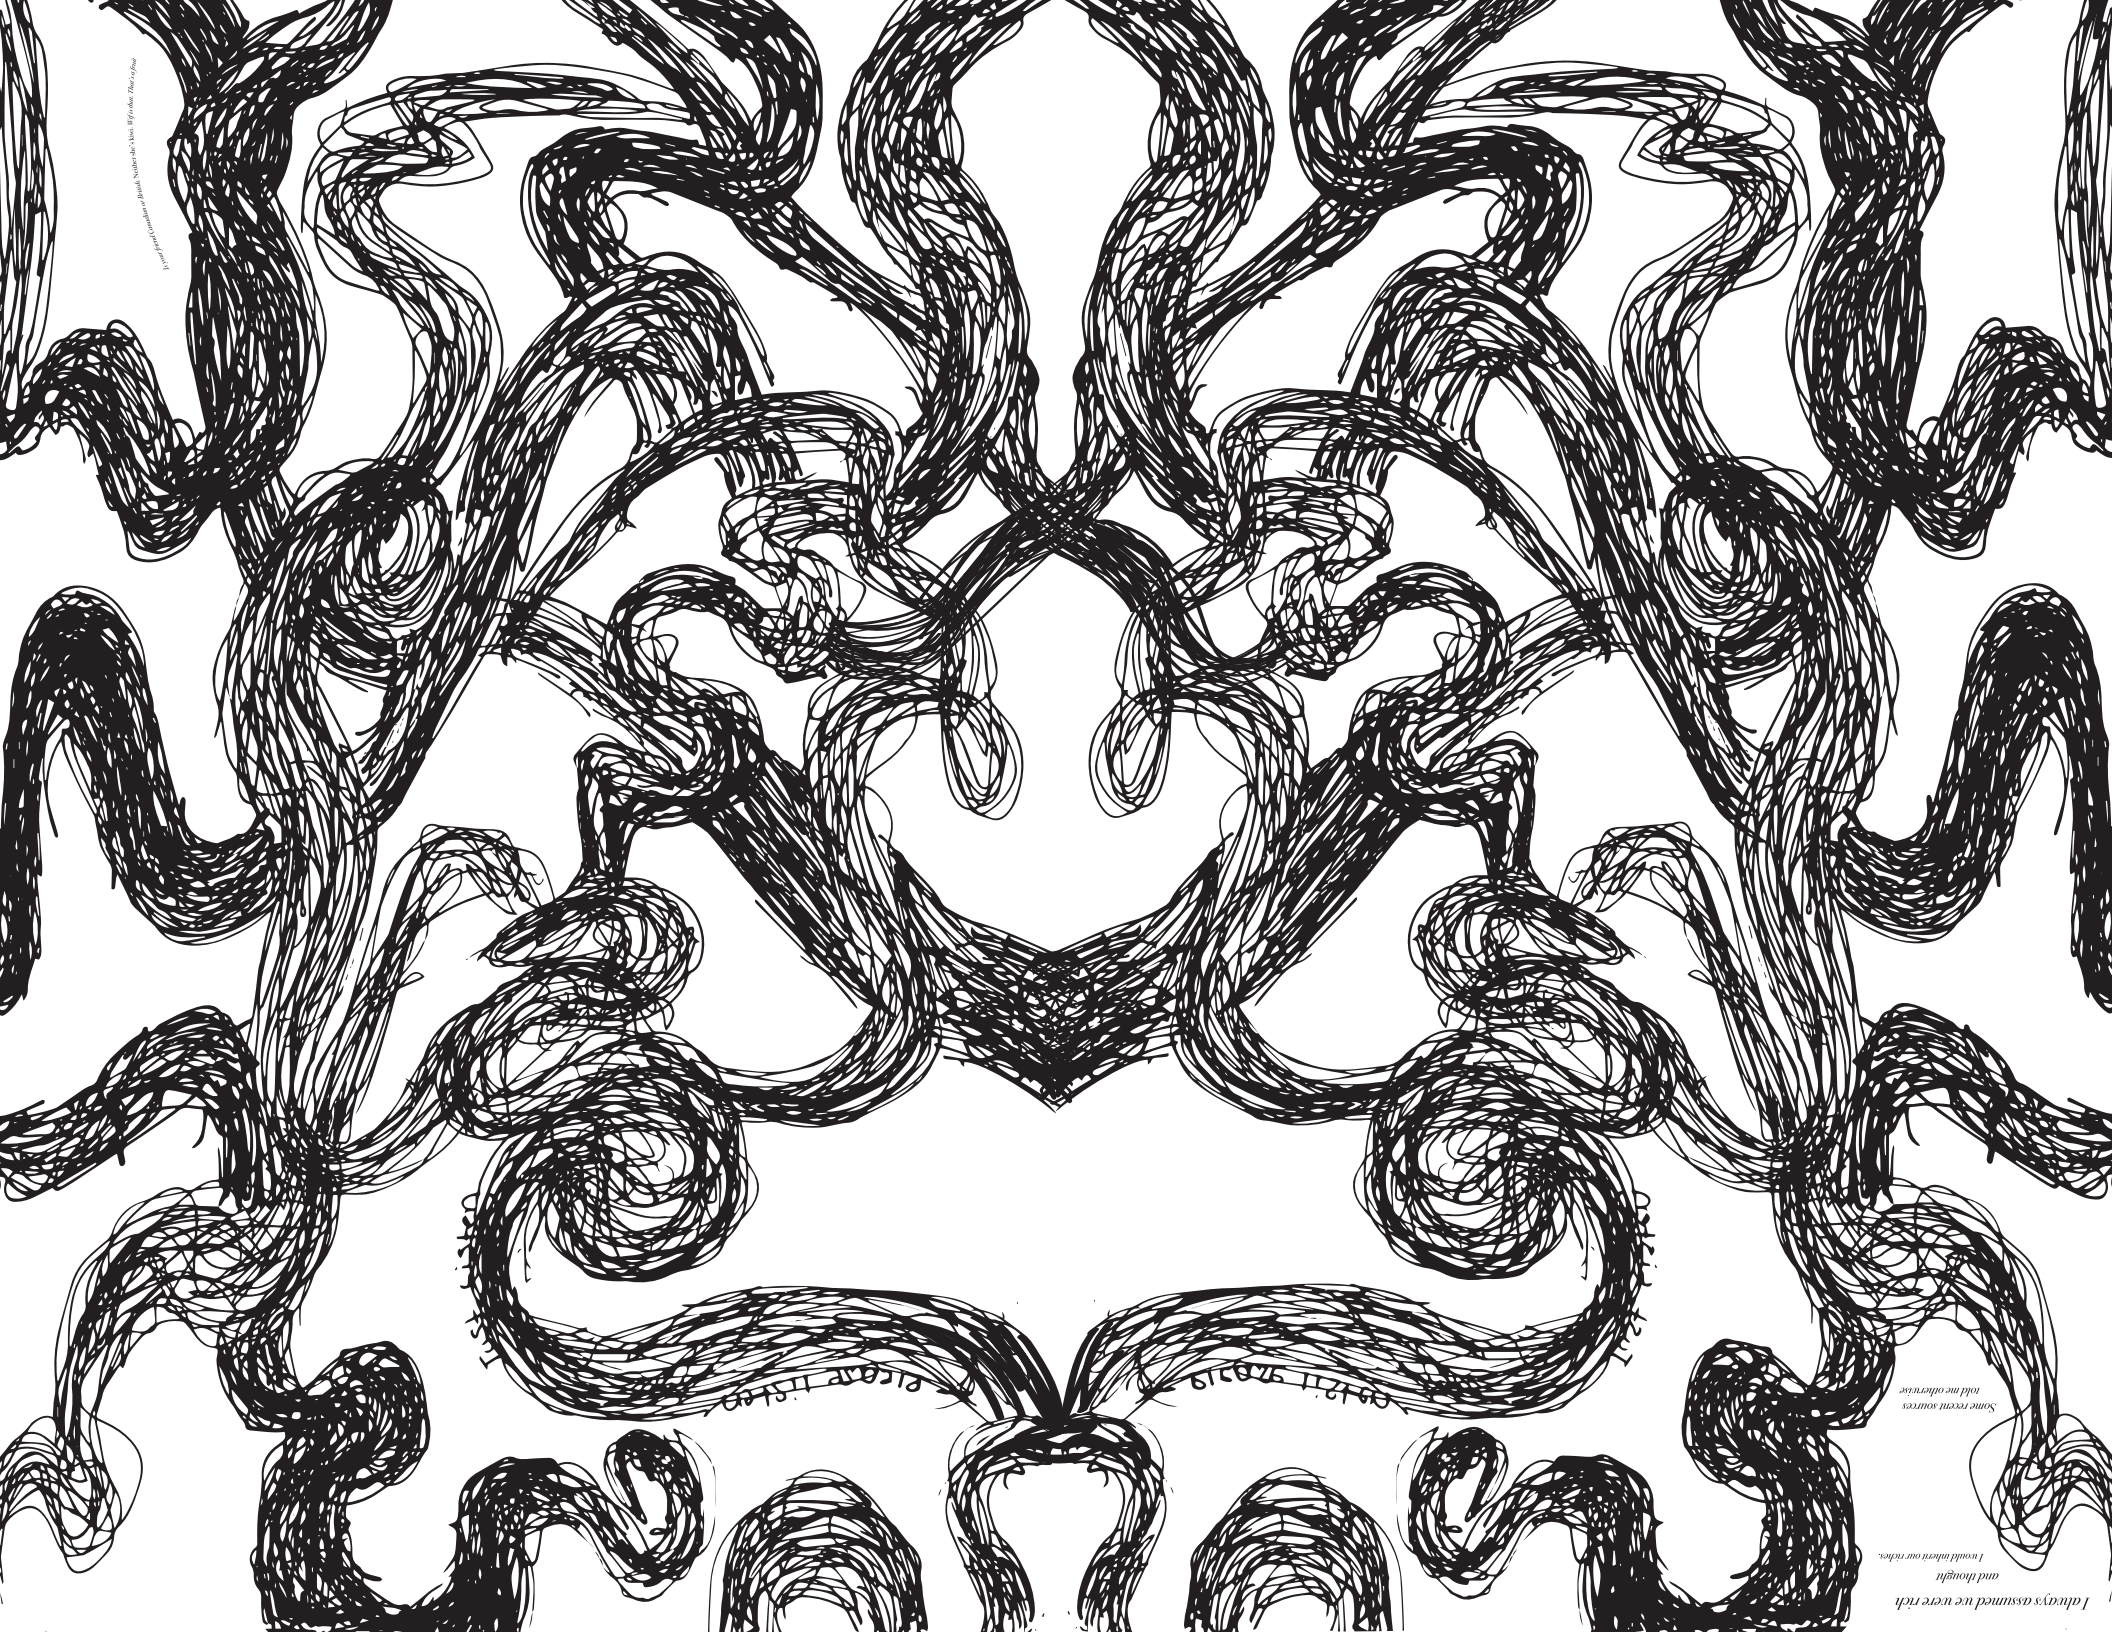

“you’re a lot smarter than you look”

anti microbial

*I miss the feeling of warmth,
like when the sun is on your skin*

I only remember his tiny ass teeth

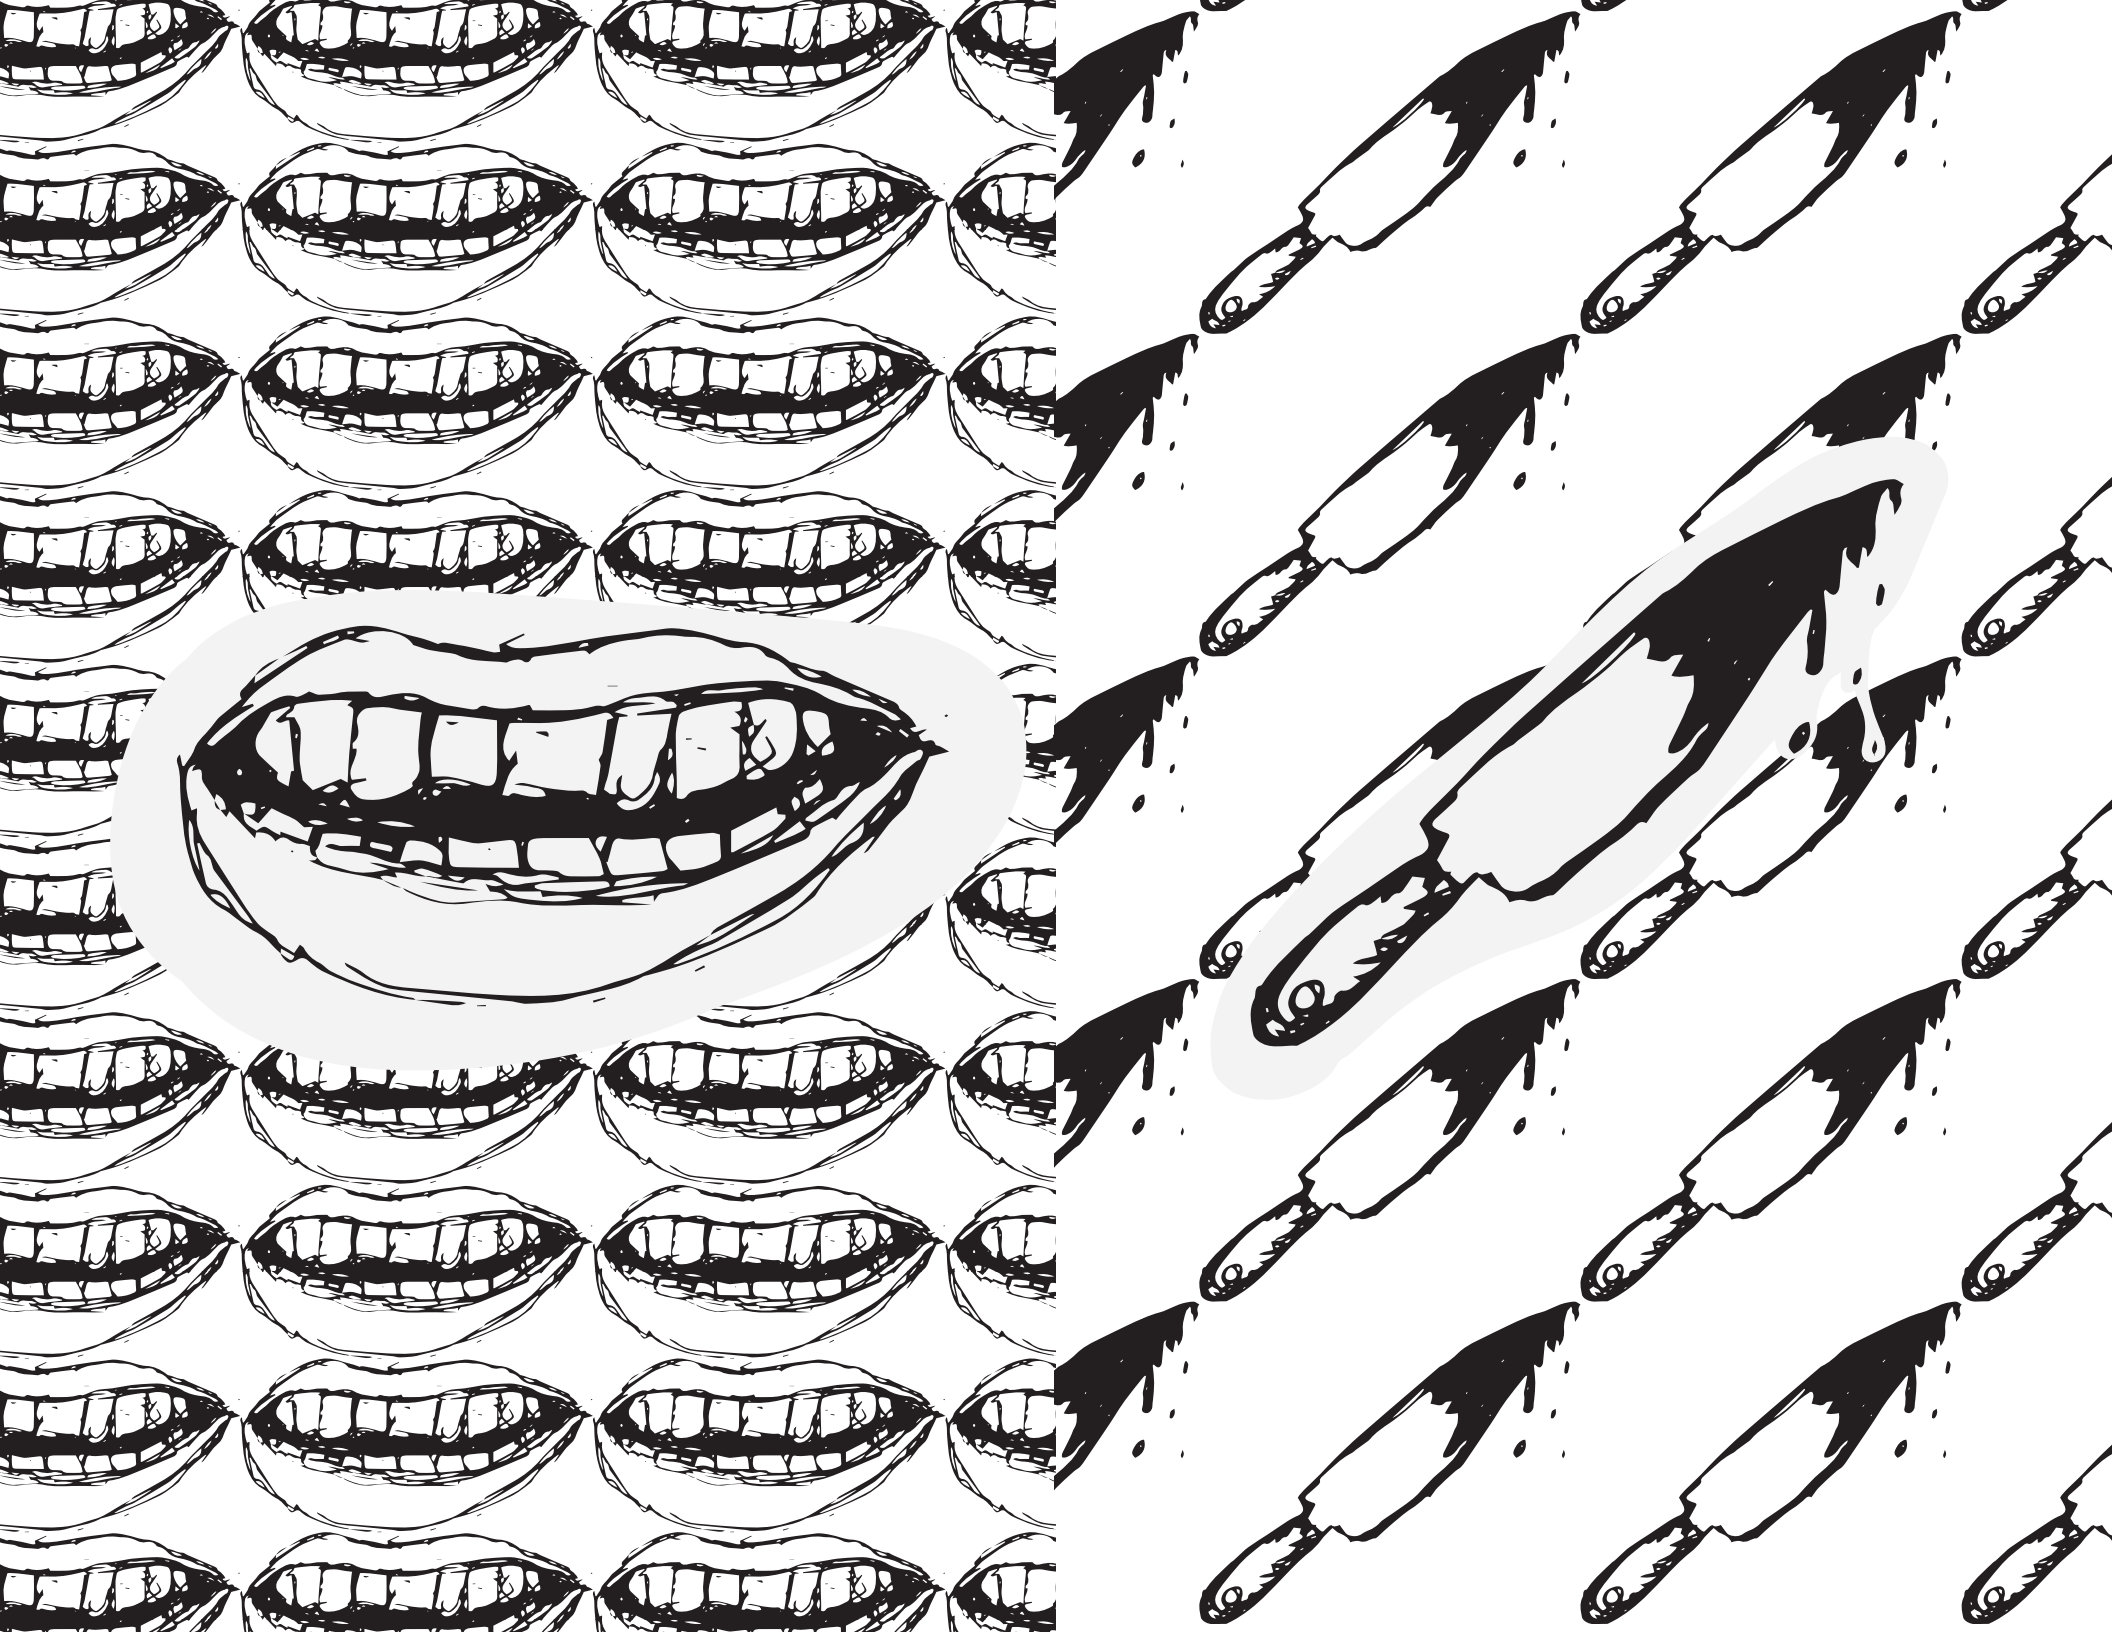

Some recent sources
told me otherwise

I always assumed we were rich
and thought
I would inherit our riches

09-12-11 9:03:19
Please listen

by David Lauderbach, Seattle, August 10, 2011. By David Lauderbach

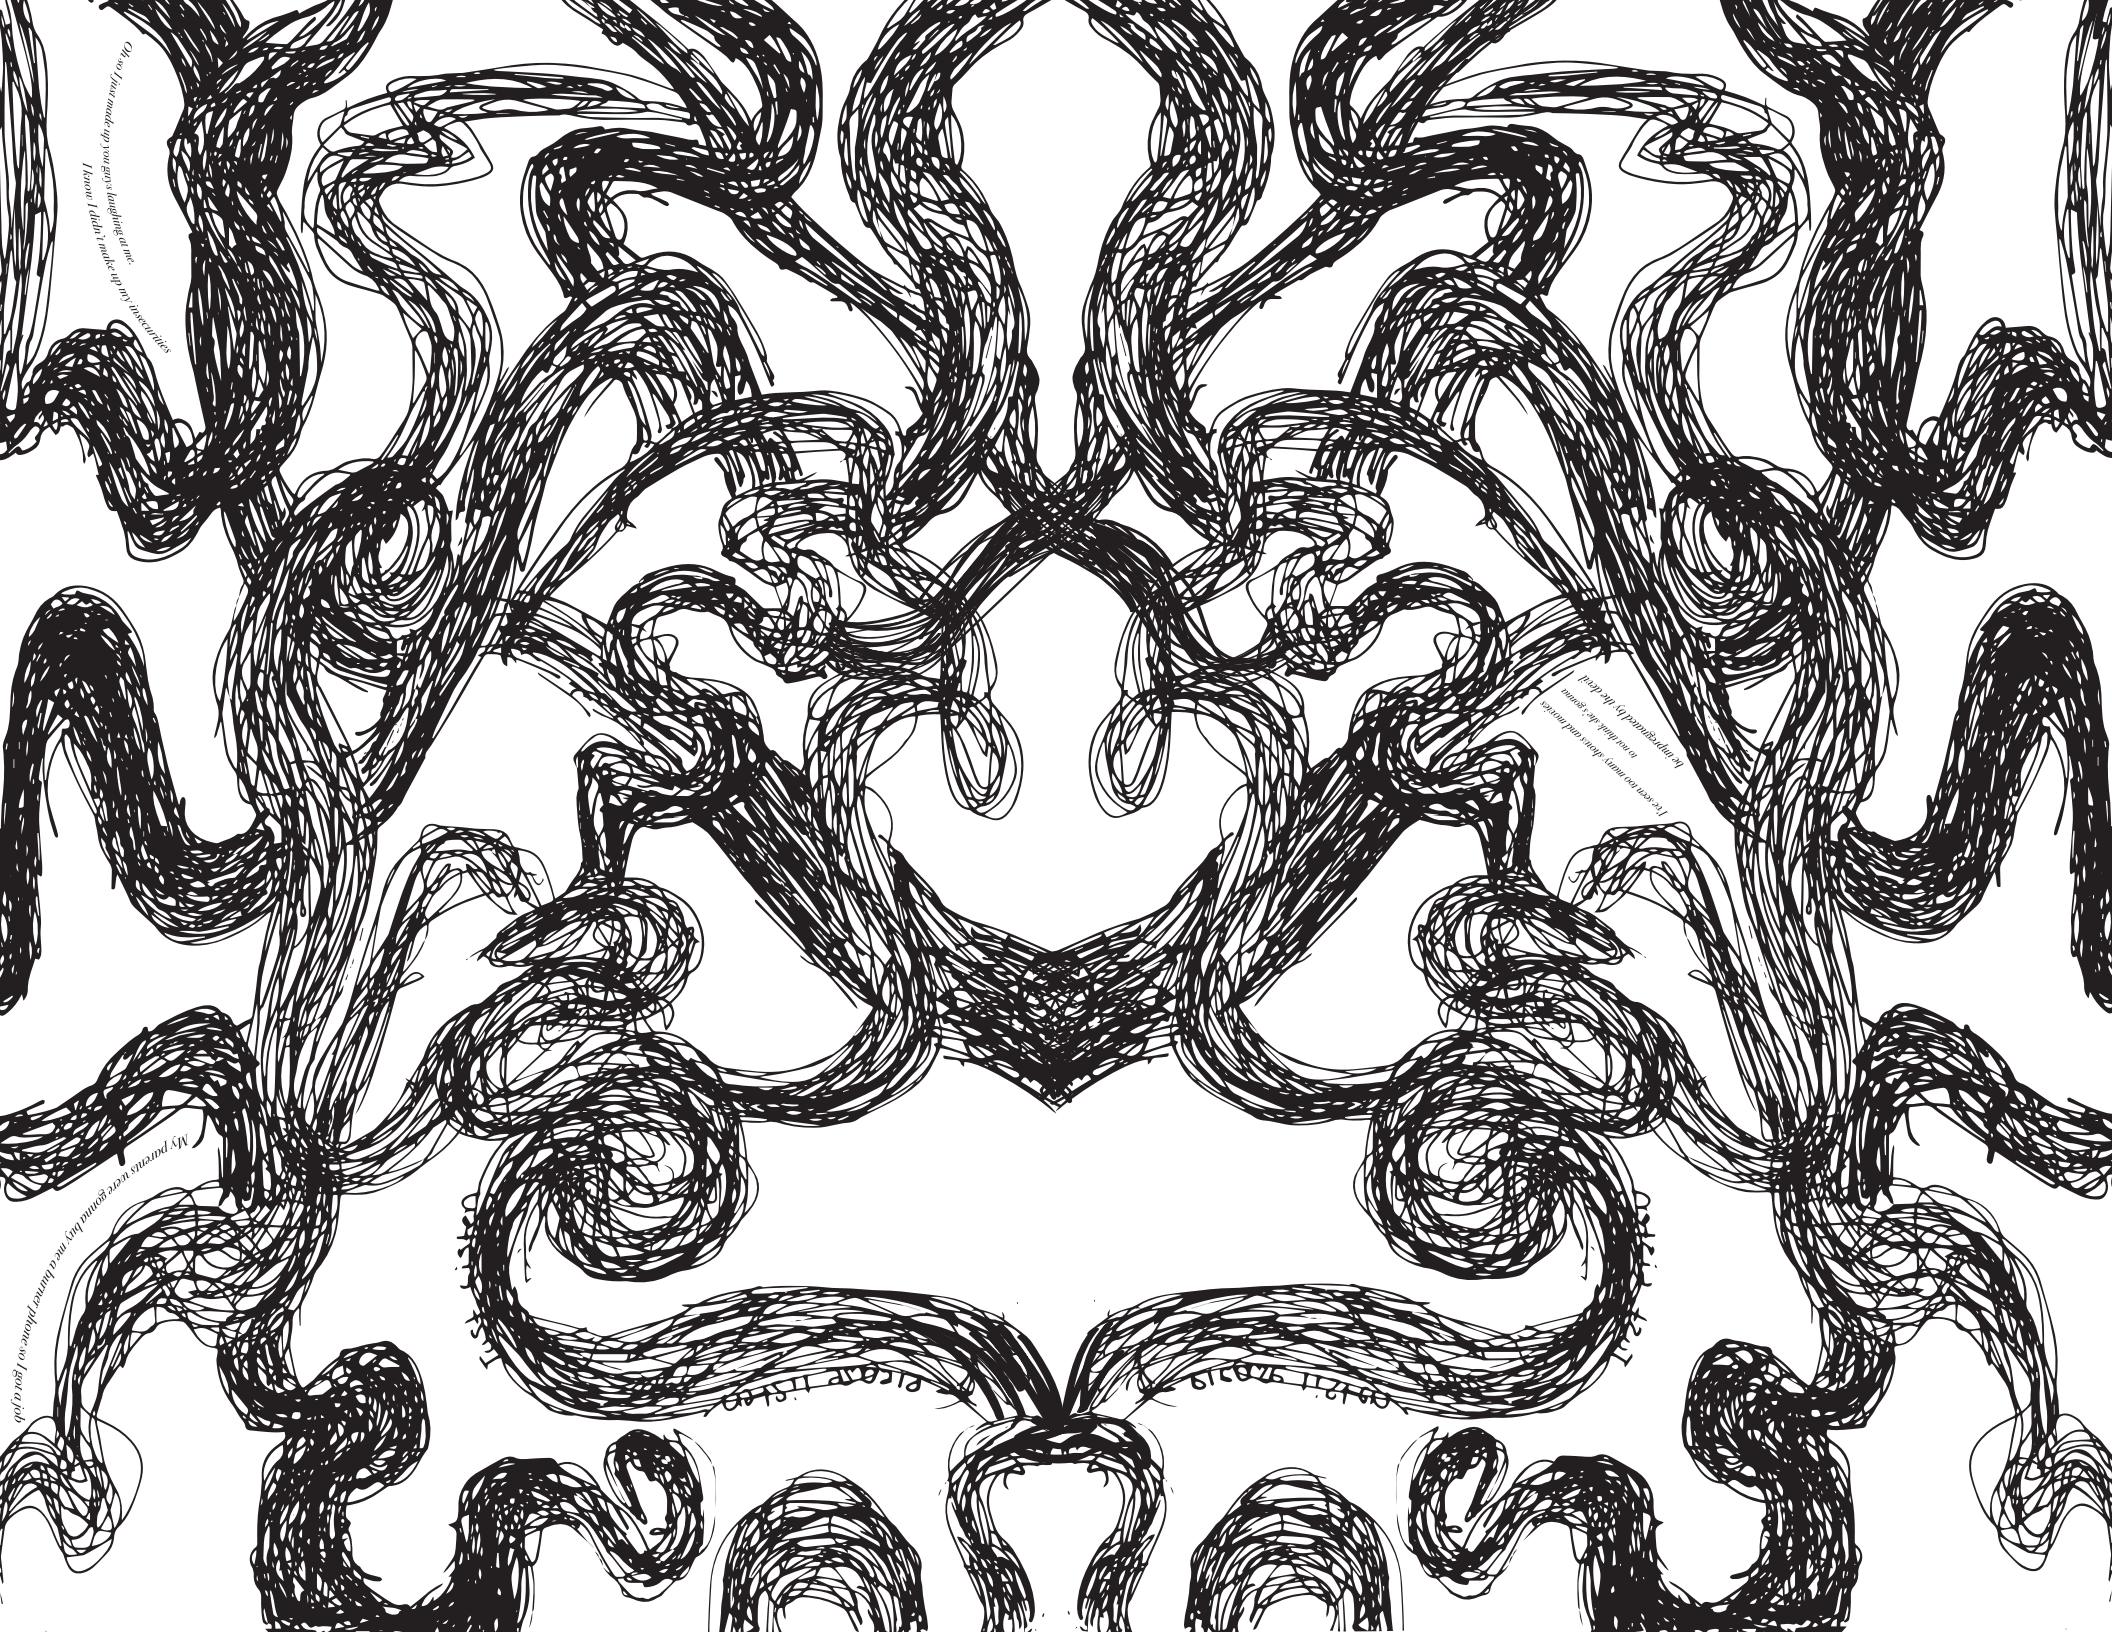

the stab noises... so cirspy

SUNDANCE!

sun is down, freezin cold

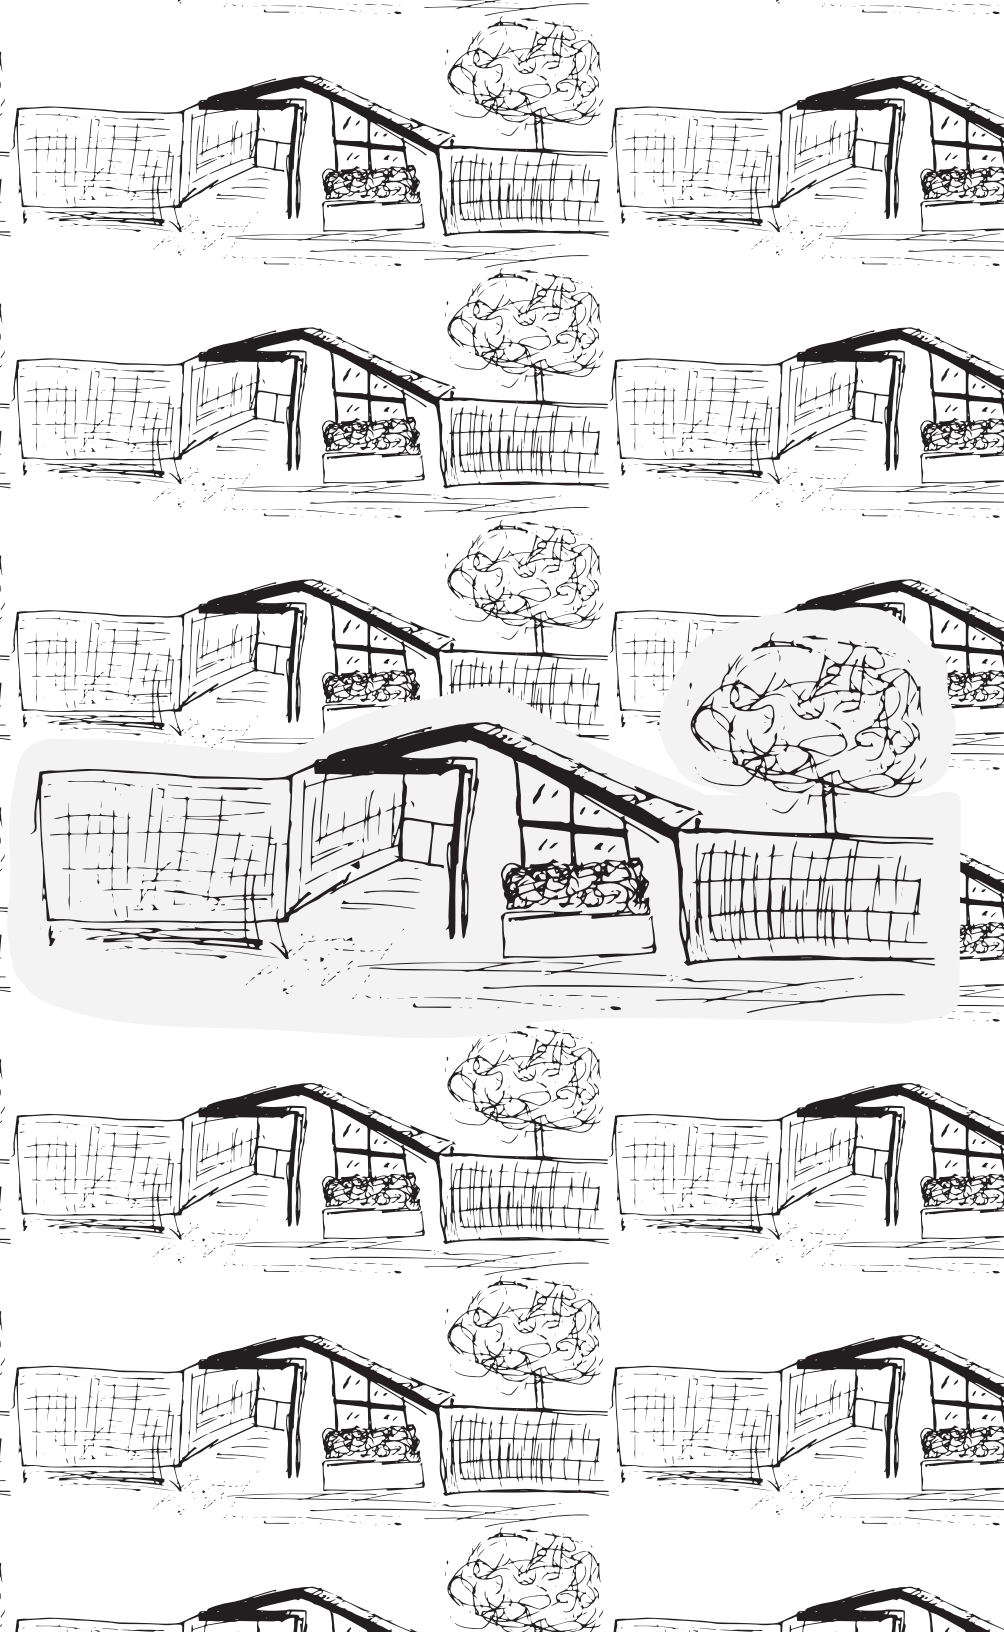

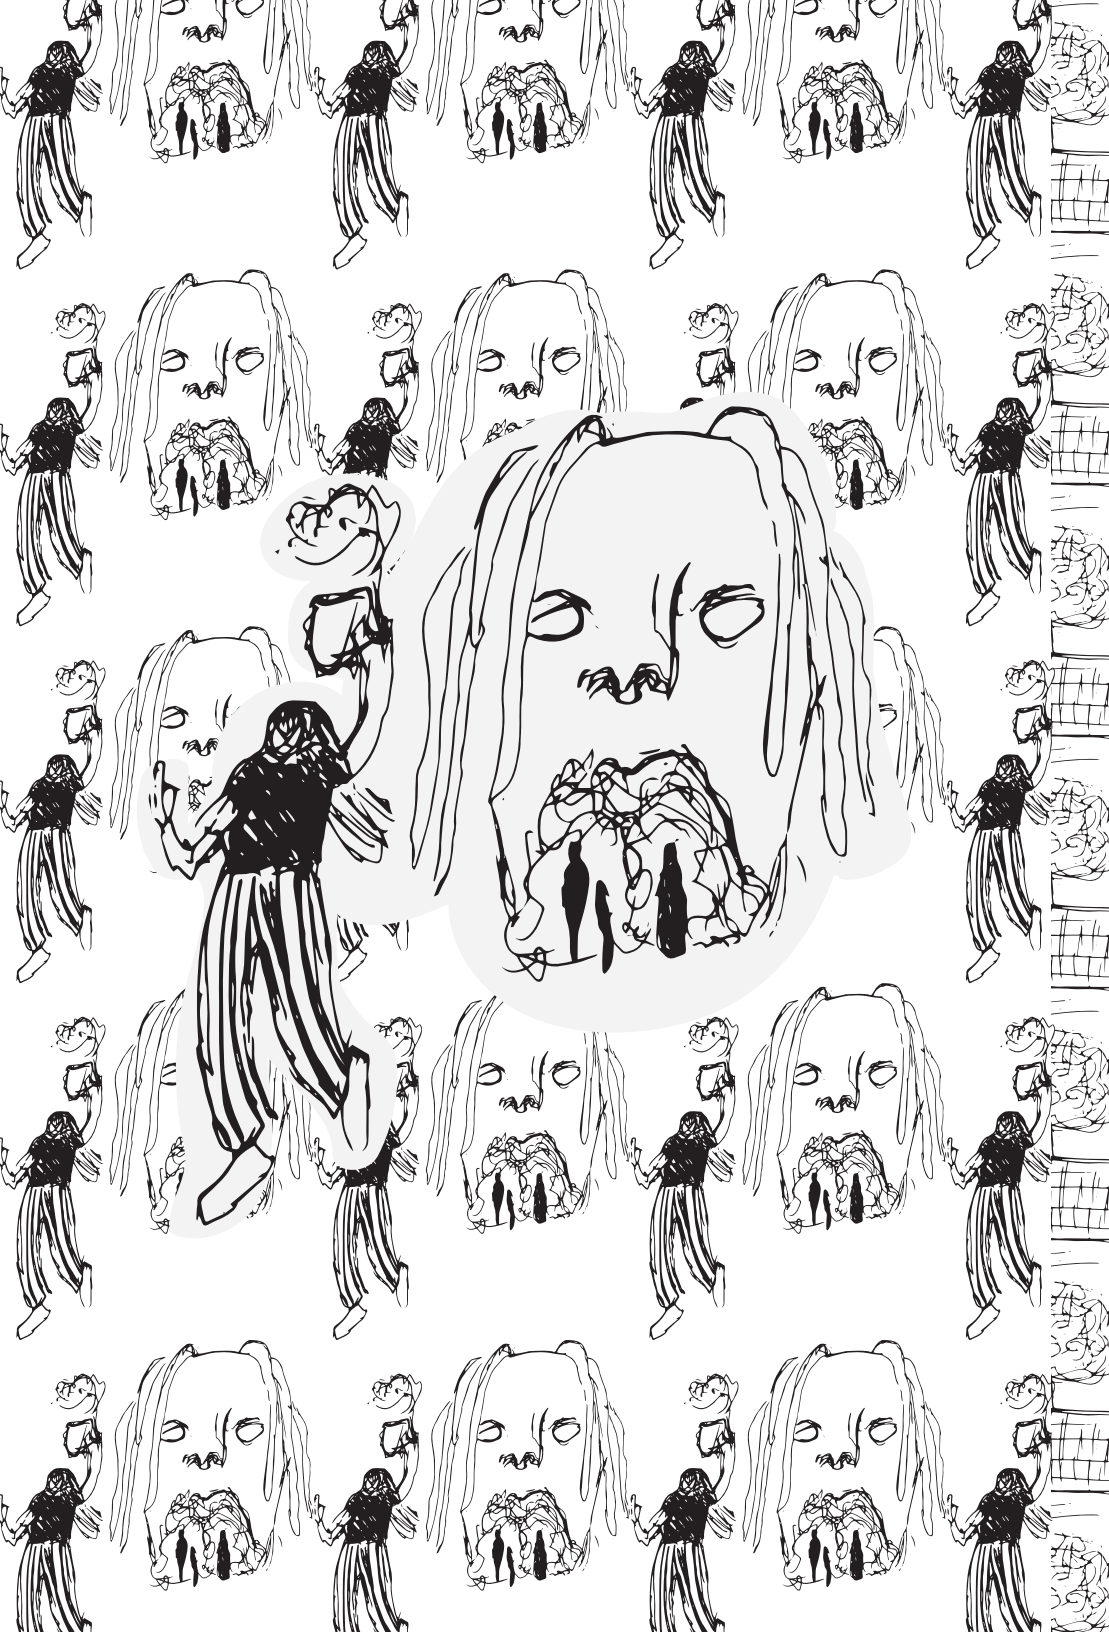

Oh so I just made up your gas laughing at me
I know I didn't make up

I was so many doors and windows
as we think we know
the beginning of the day

My parents were gonna buy me a better phone so I got a job

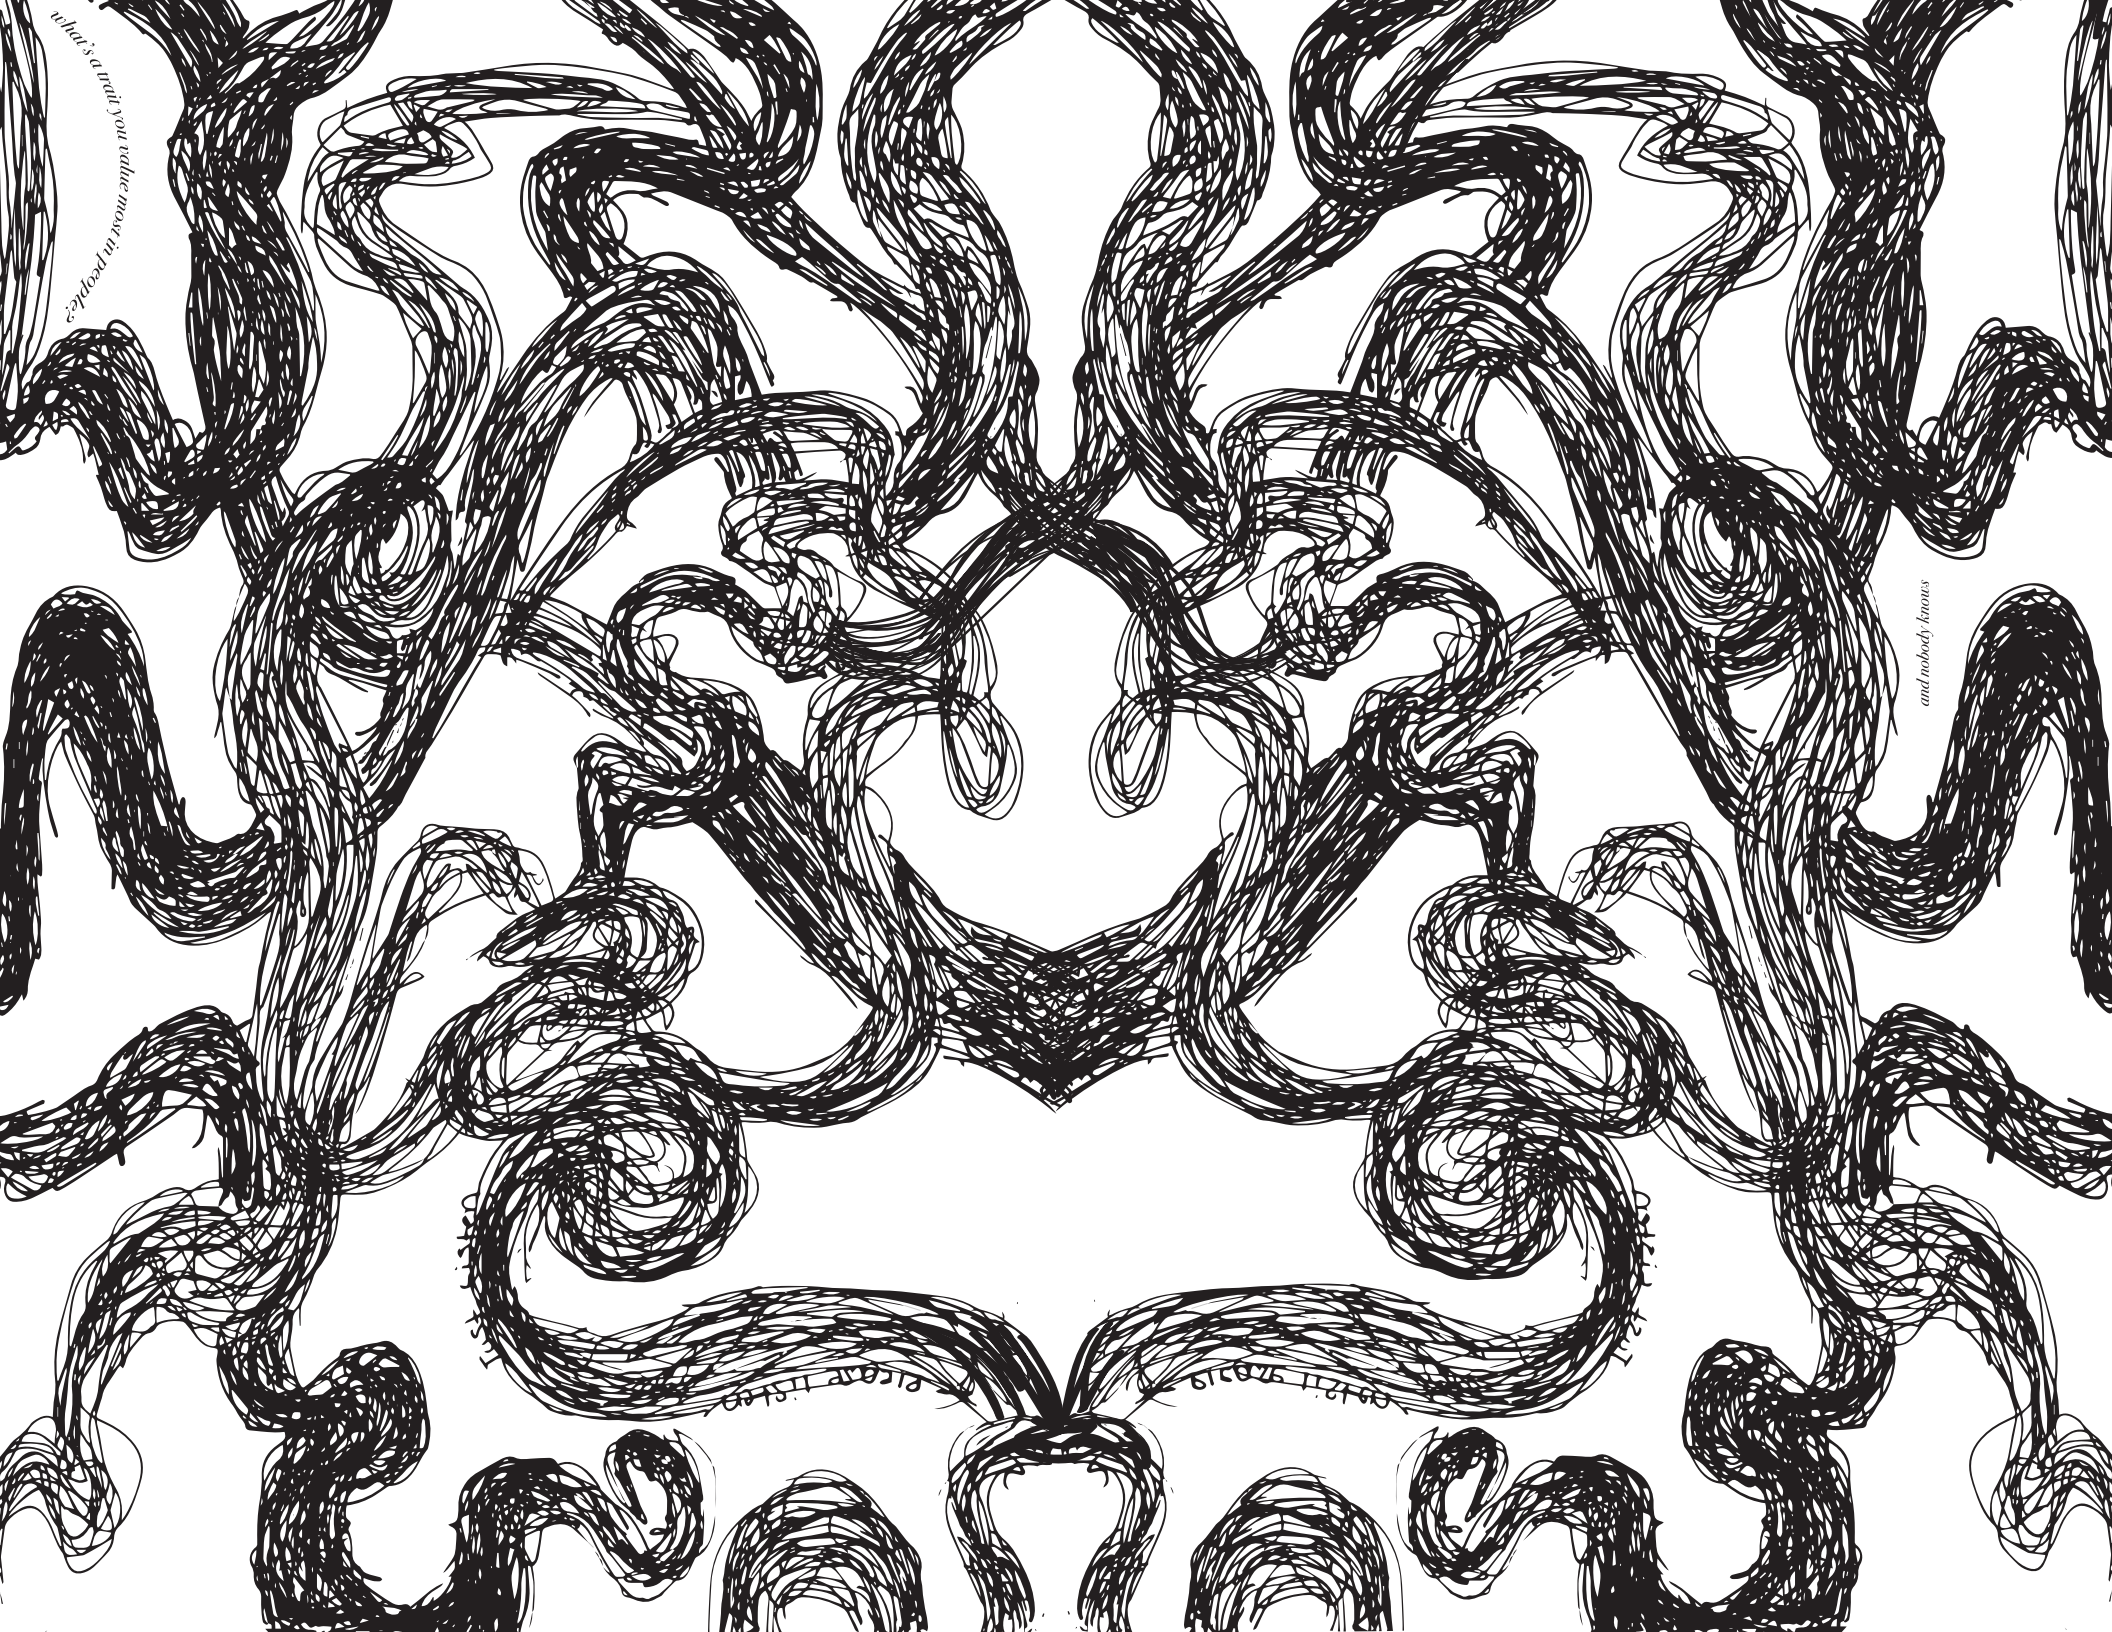

PLEASE LISTEN

ON THE 17th

*is the fire alarm still ringing from the school ...
about to see some smoke!*

because I'm humble like J.cole

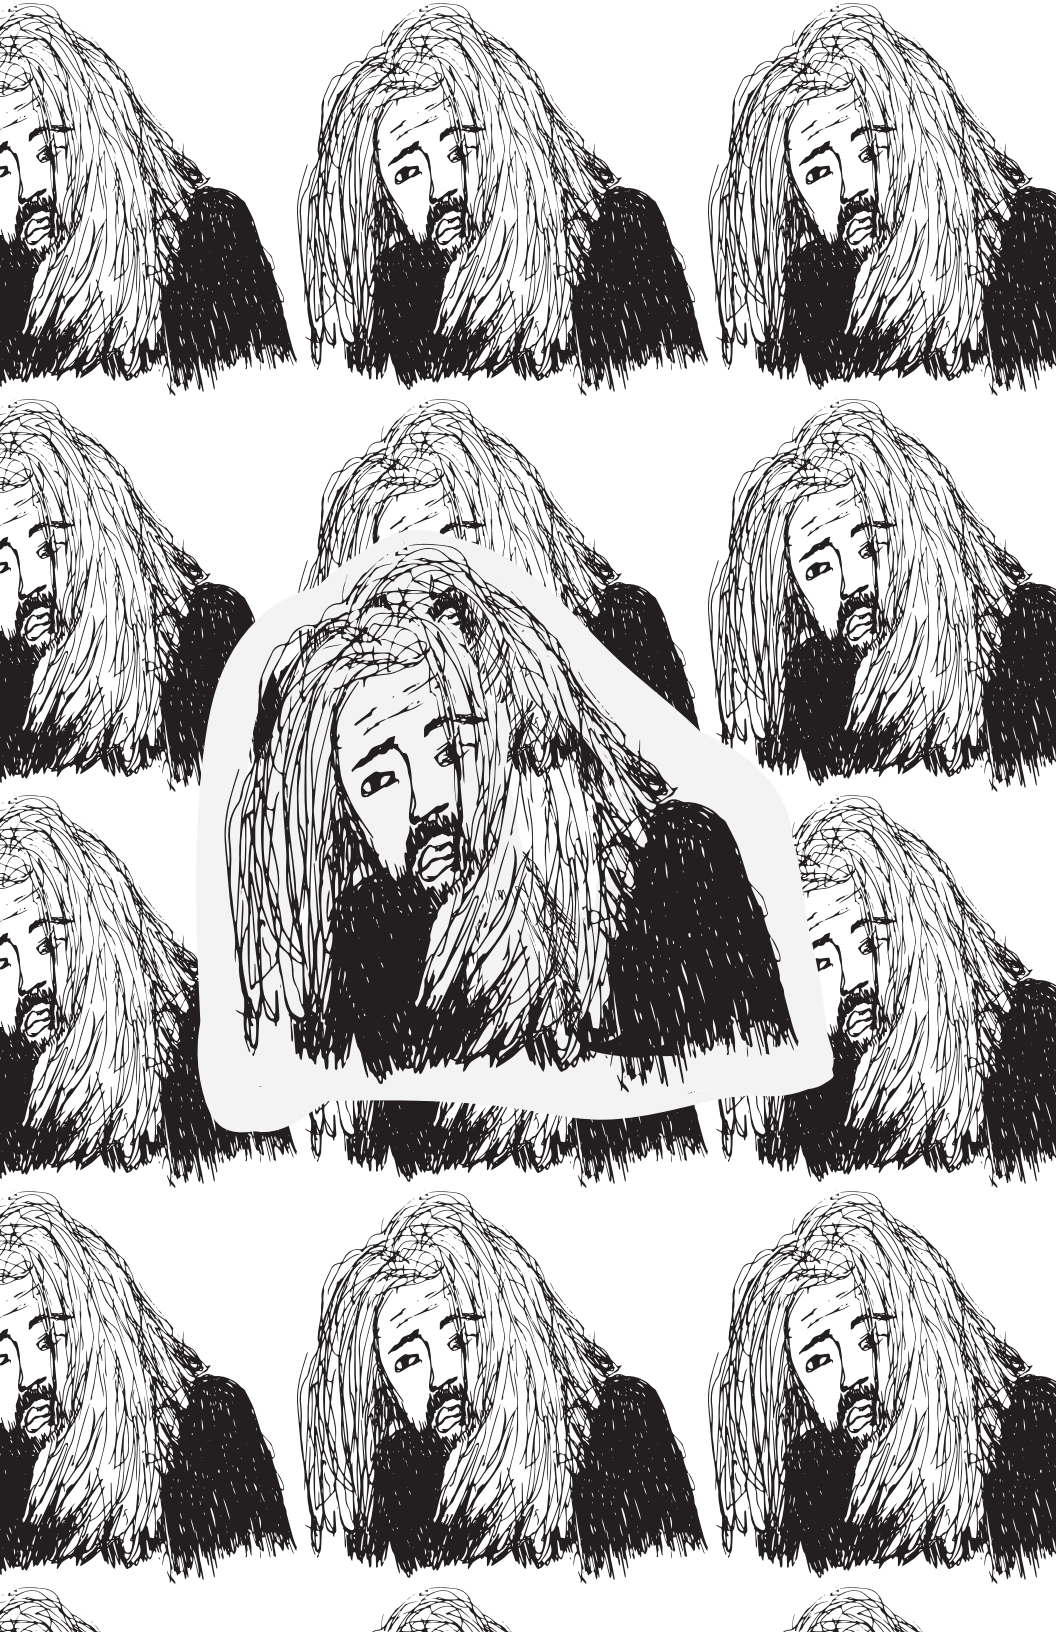

what's a train, you ride now in people's

and nobody knows

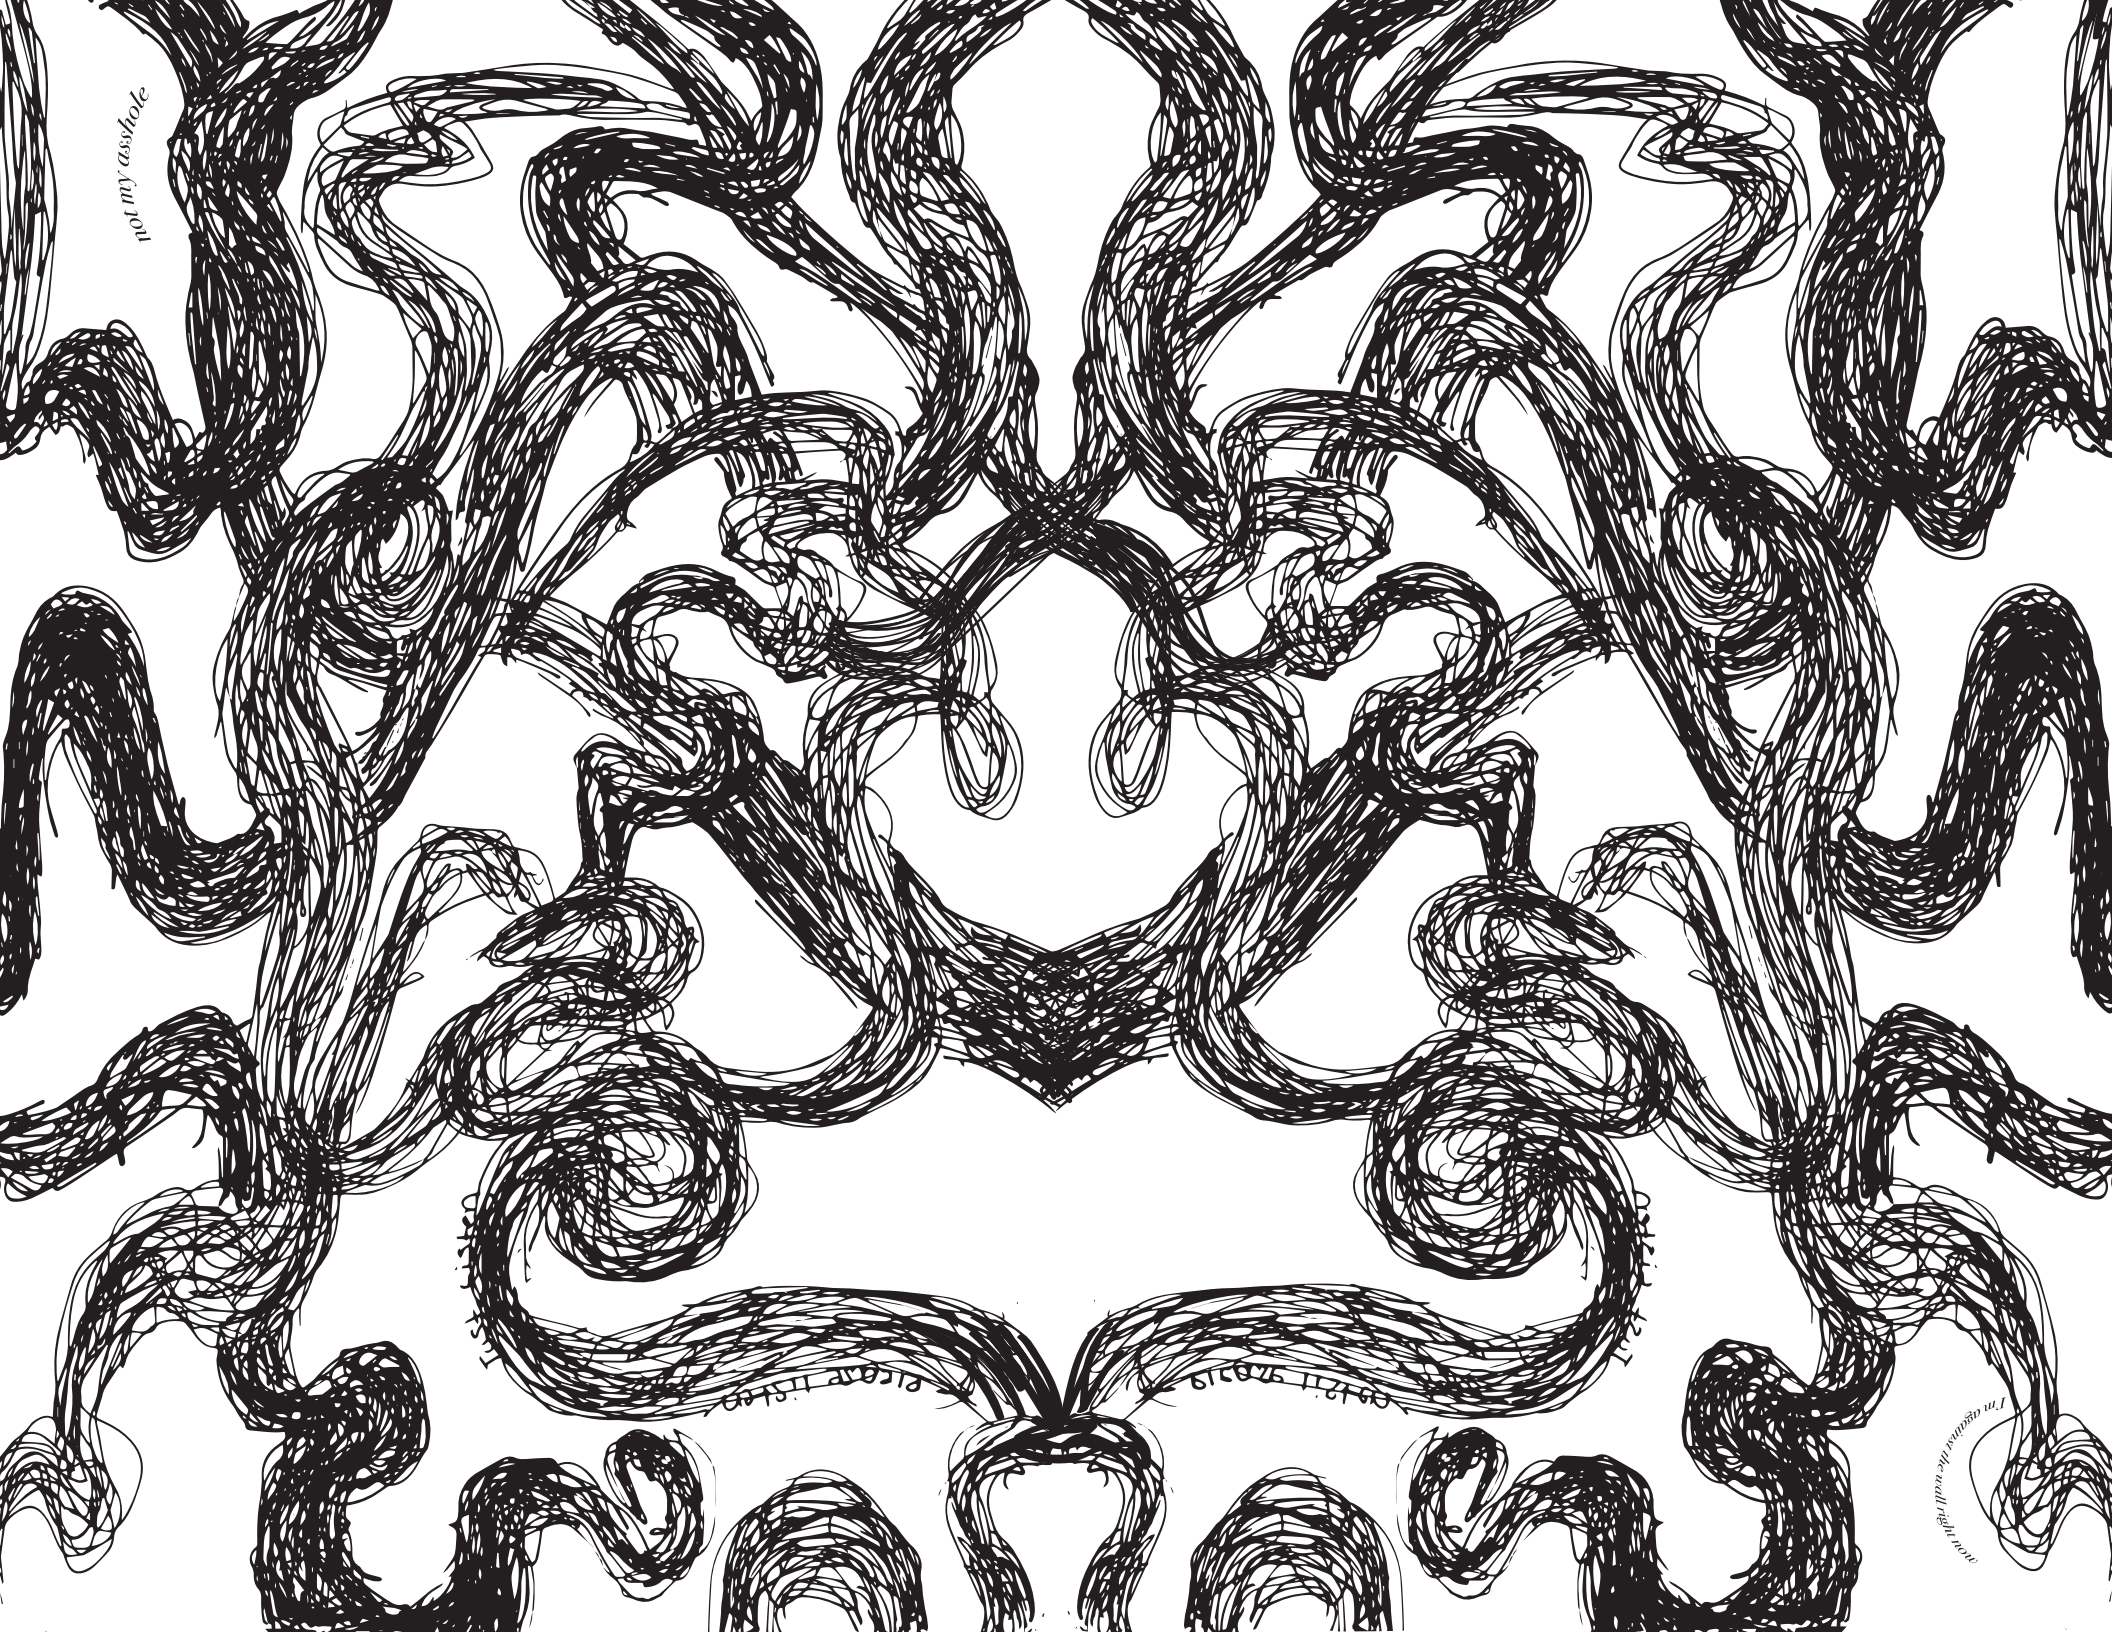

please listen

please listen

the devil's apple juice

my friend made a trash rap song

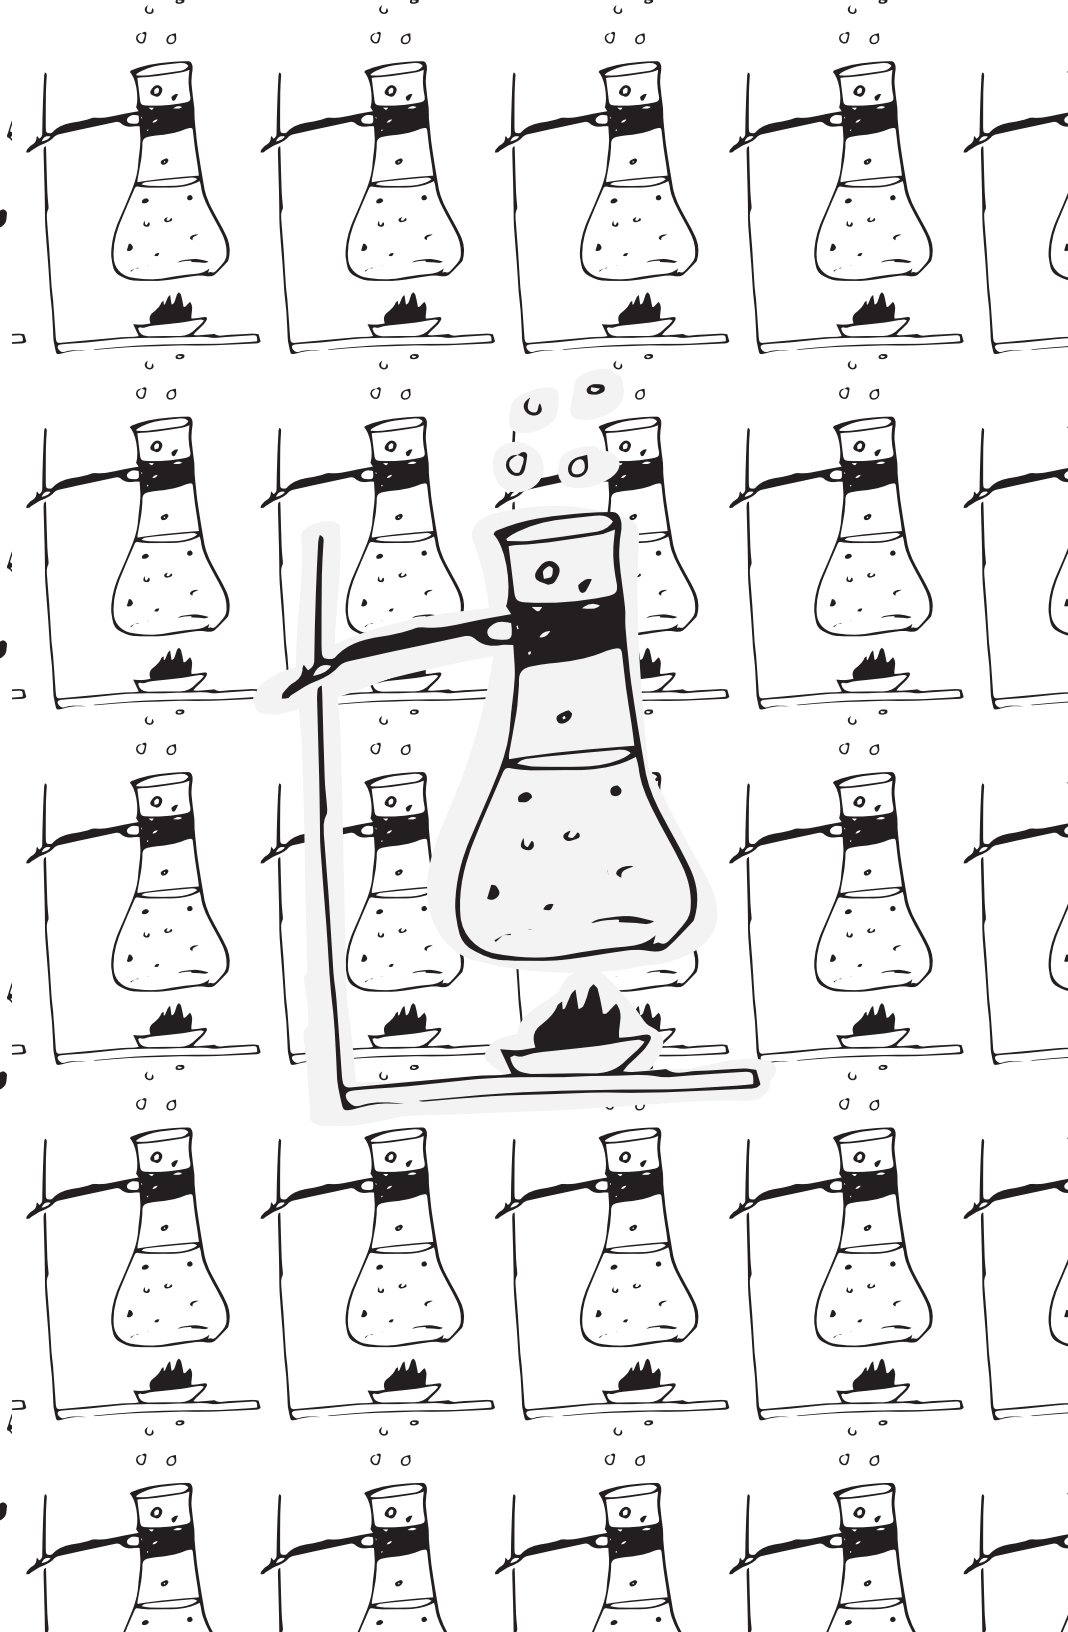

not my asshole

Please listen

Please listen

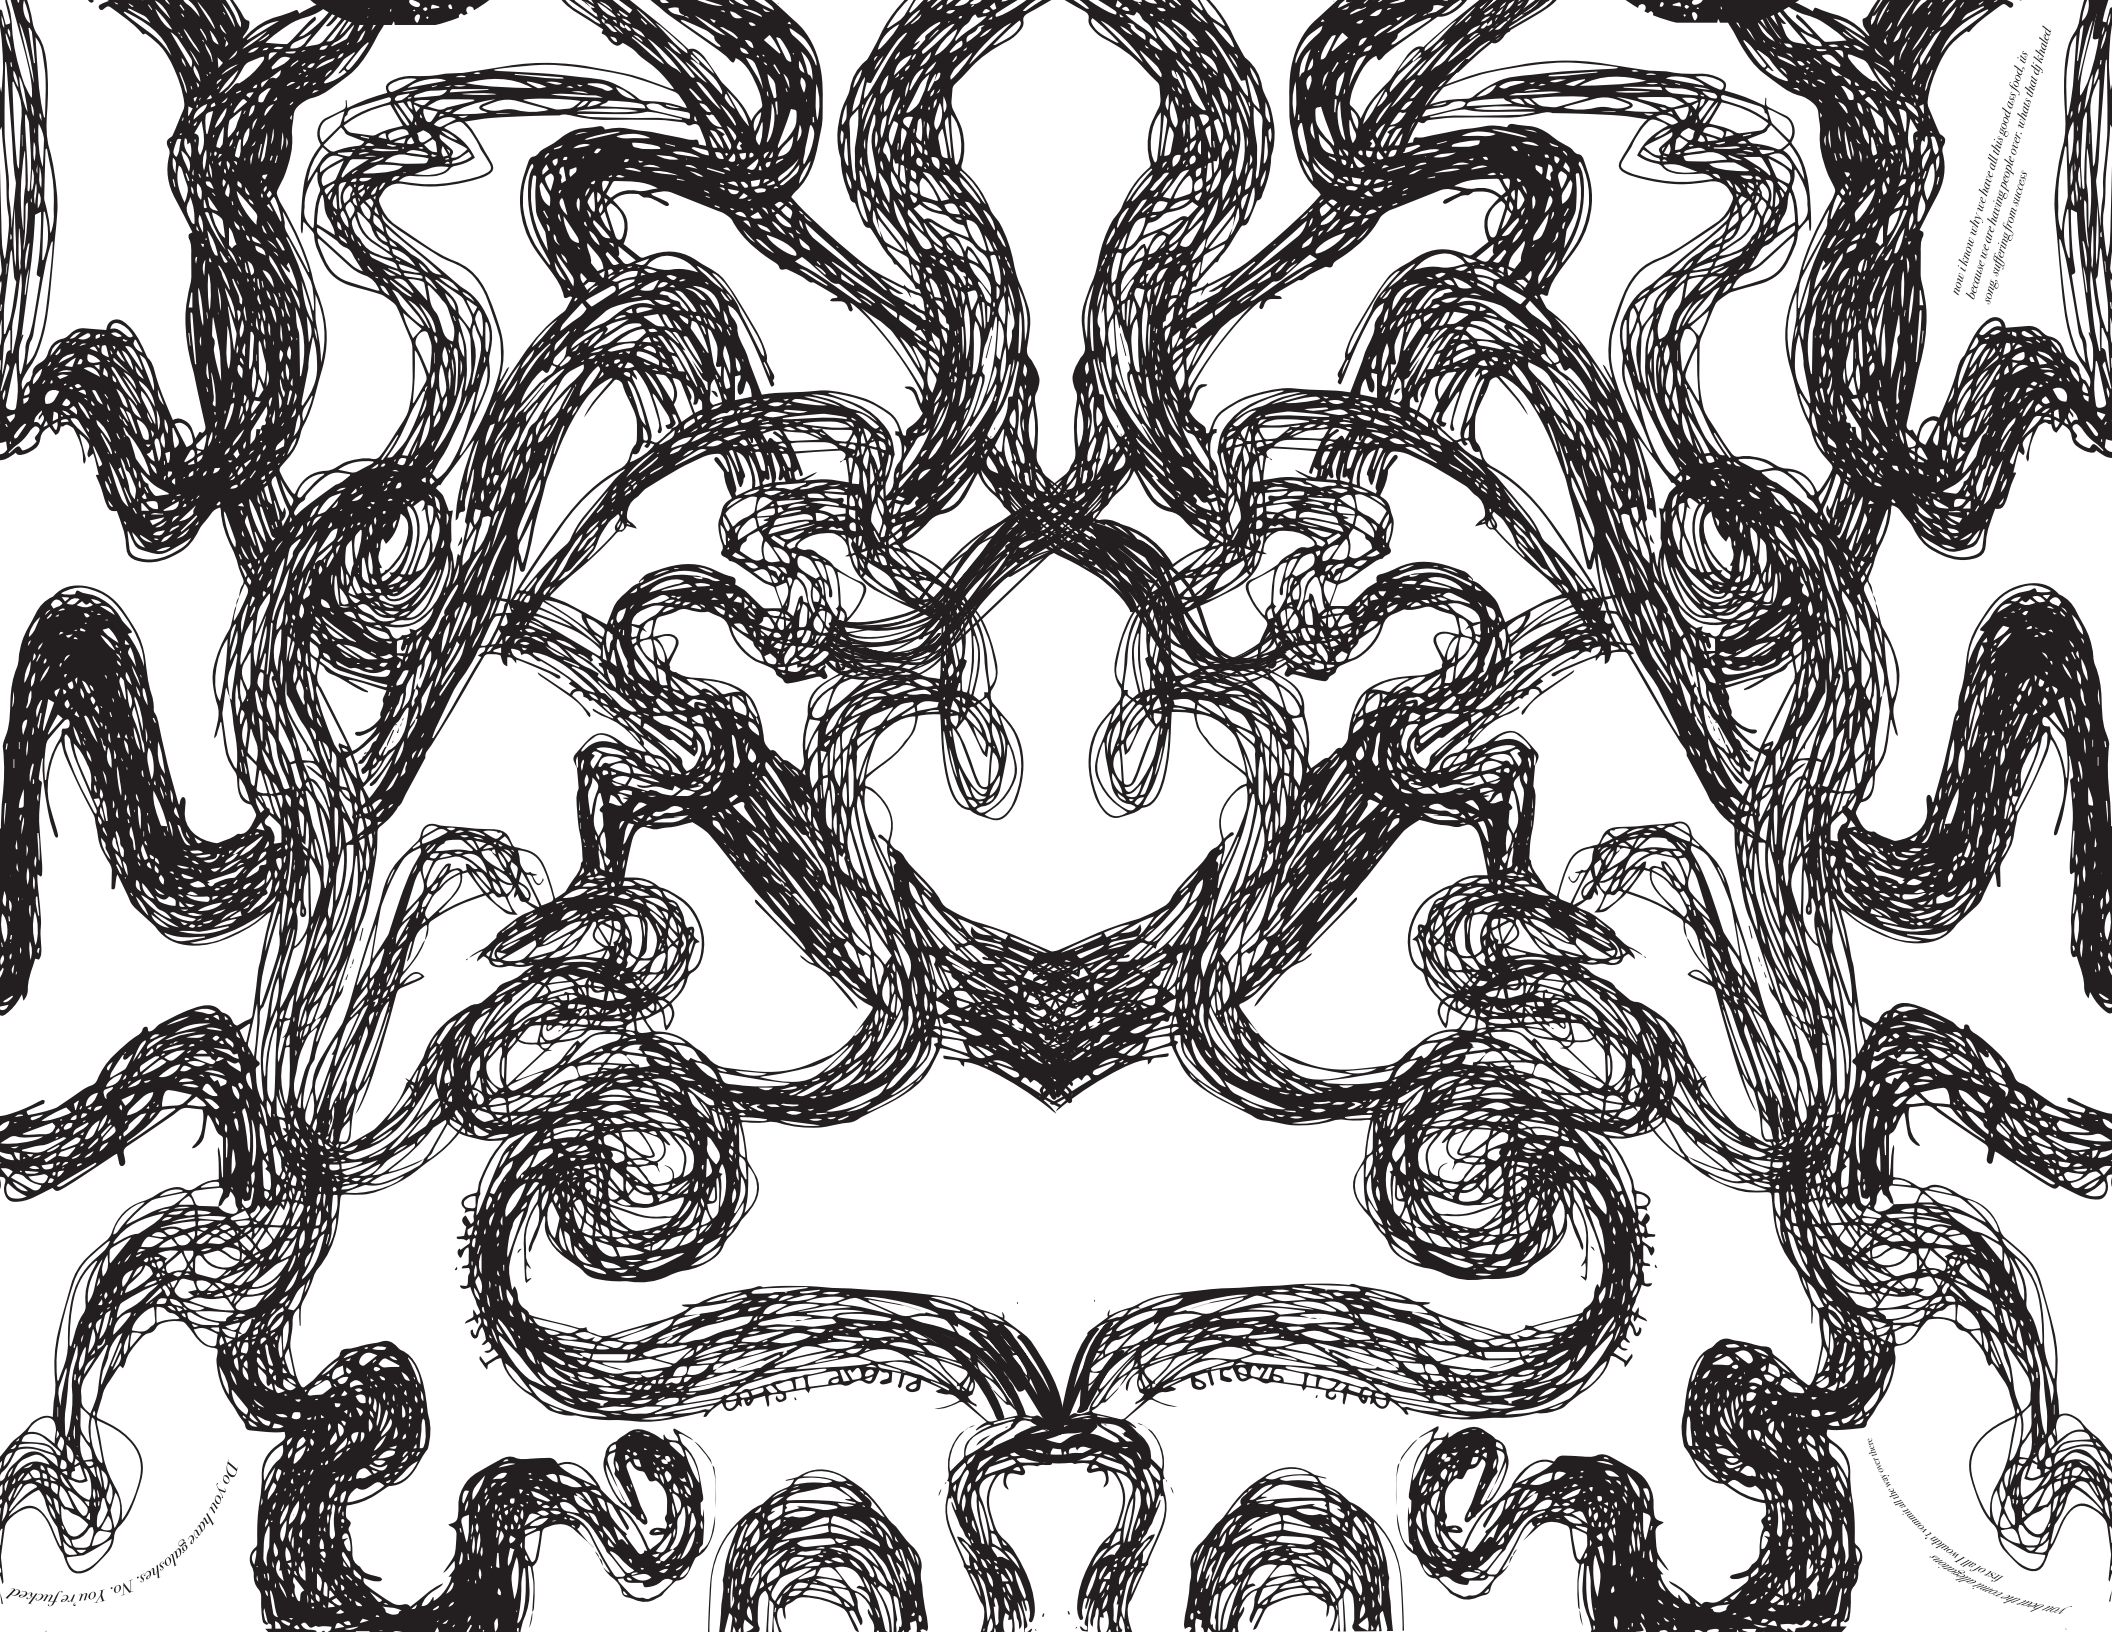

I'm gonna be the wall right?

grrrs...what matters more, family or my chemistry test

you're sweaty

its slime...slat

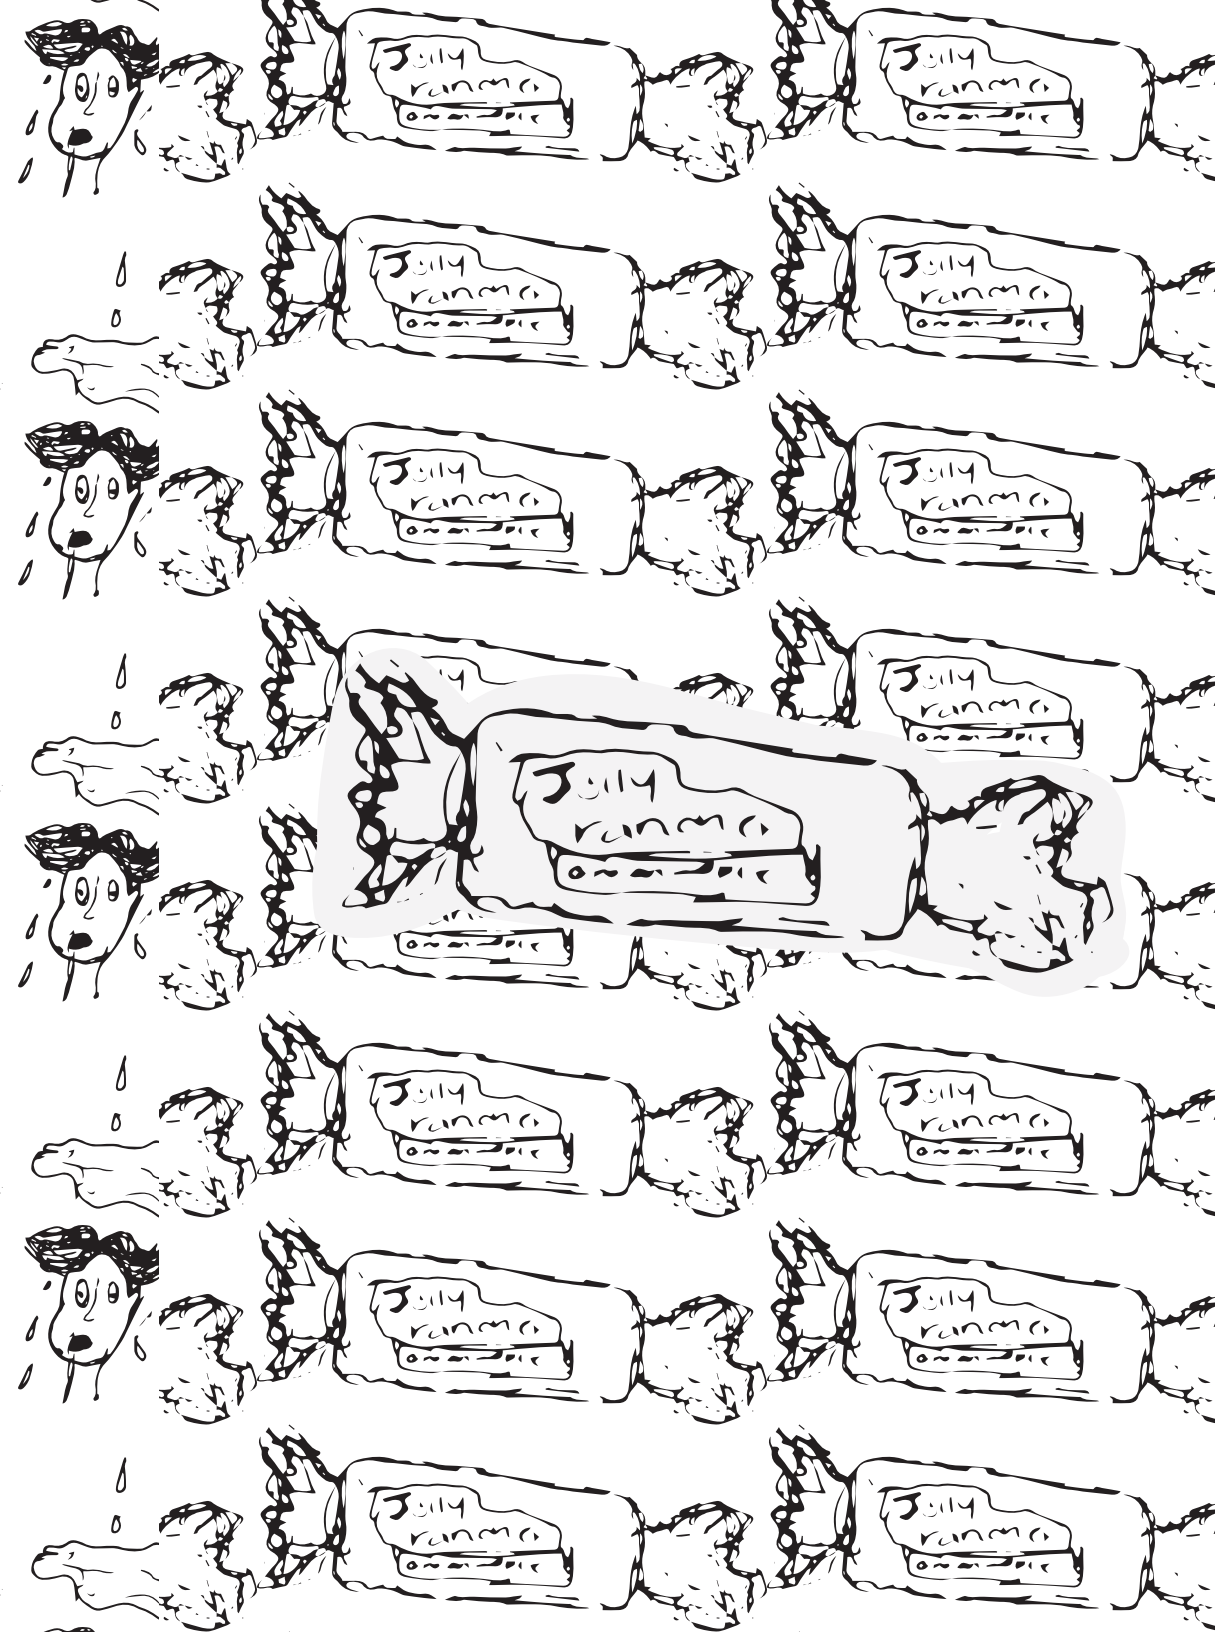

now I know why we have all this good as food, so
because we're having people over, when that of blacked
sog, suffering from success

Do you have relatives. No. You're fucked

PLEASE LISTEN

ON 12-11 970319

Just how the world is becoming
for all of mankind I would like to see you see me
and me

*this is jolly rancher juice. ya'll
squeezed the jolly rancher*

*some motherfucking people
cannot turn off the lights*

life becomes shit

she went to go release her inner demons

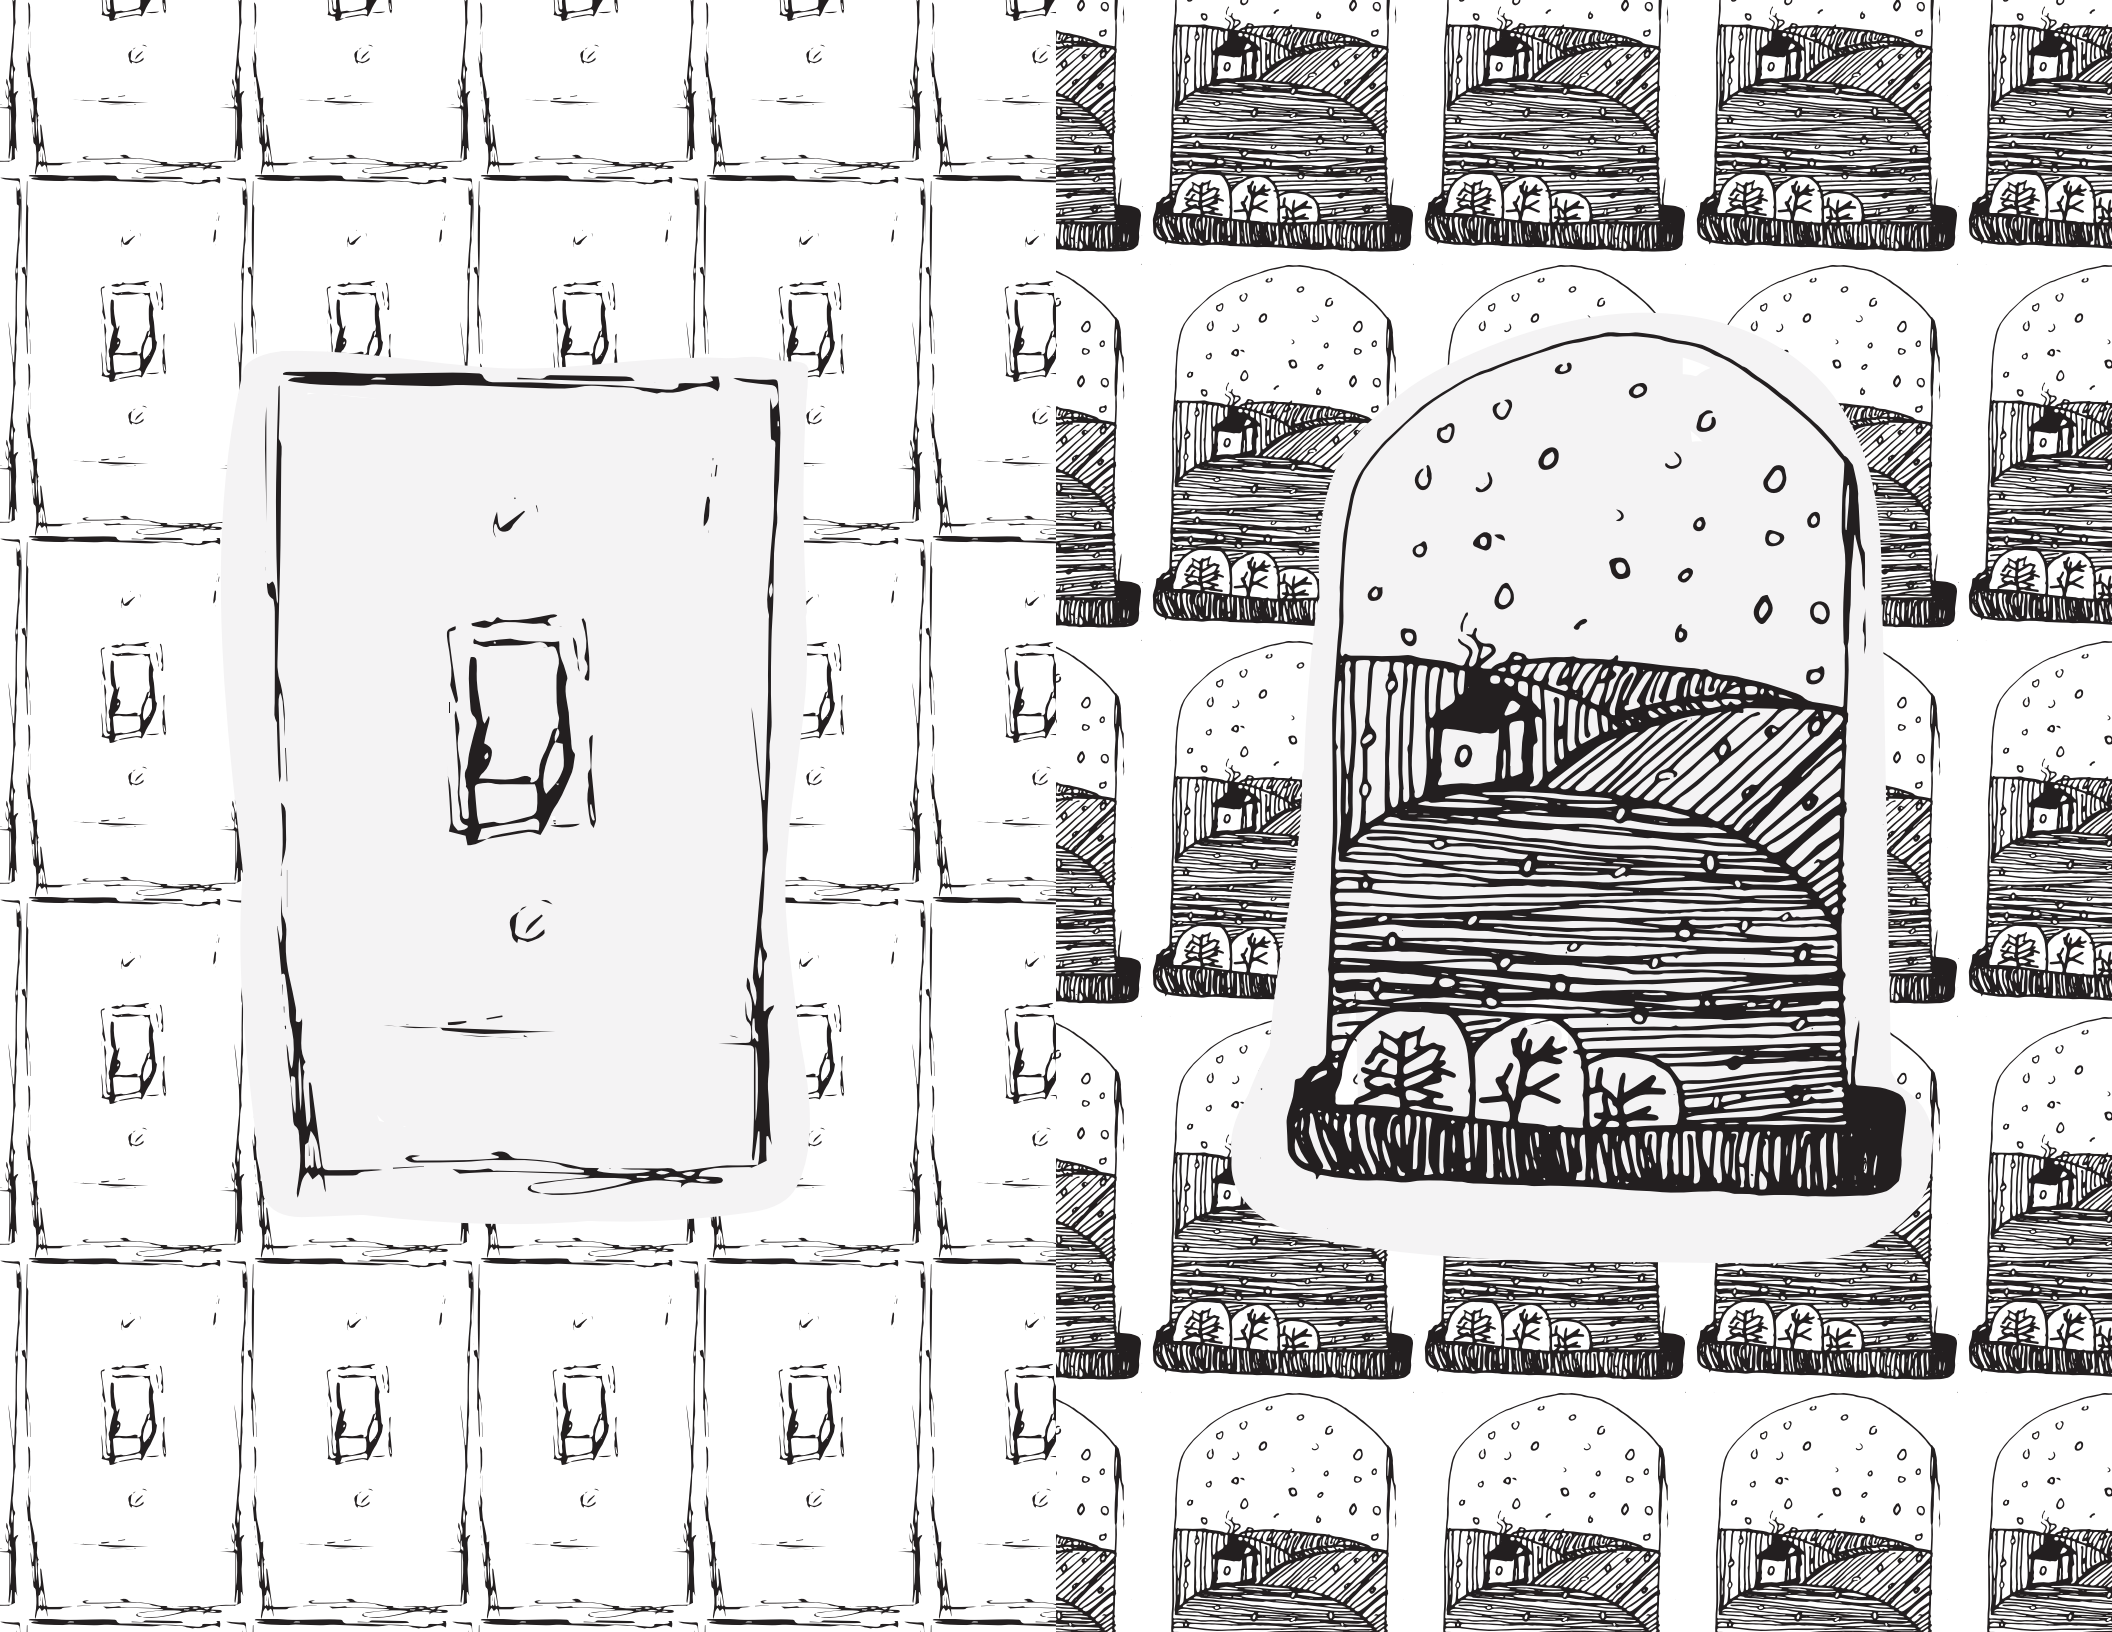

that shit was oozing out

oh hell no did i just catch you having fun

please listen

oh hell no did i just catch you having fun

you're supposed to live in our moment

why is it so burrr

RISE AND SHINE!

I'm waiting for you

to finish her drawing

I thought you were gonna say

I'm waiting for

to finish

Youngboy is a better singer than Adele

Please listen

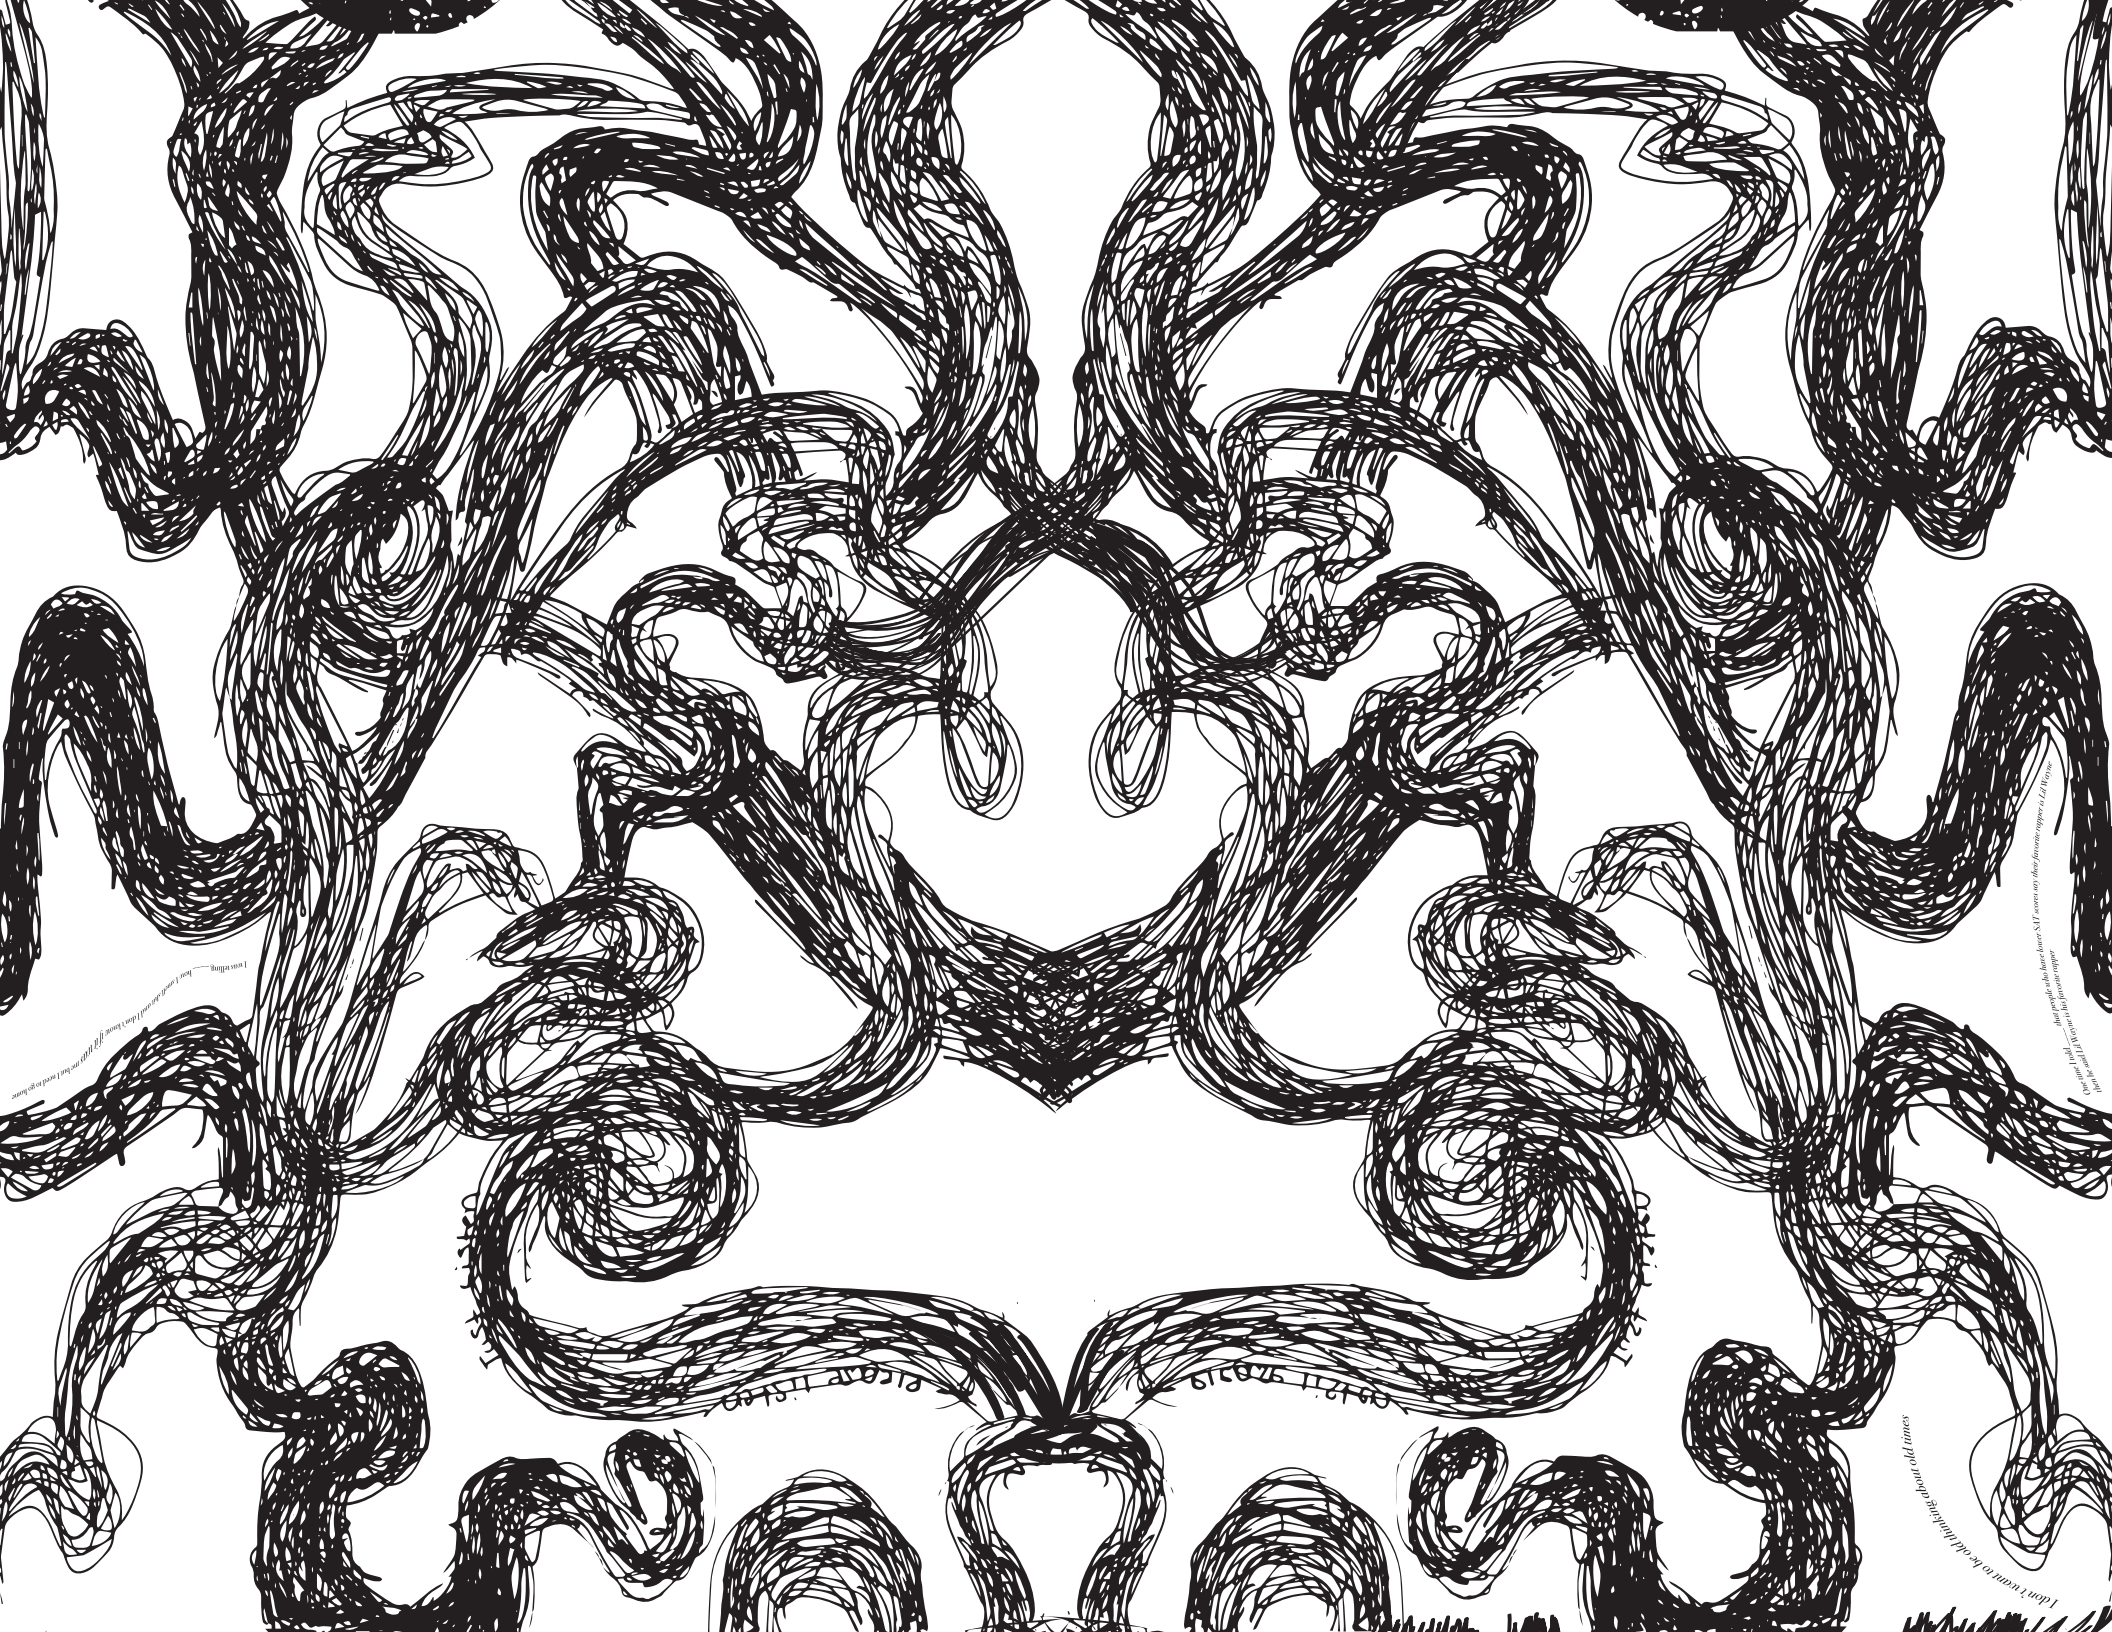

on 12/11 9:03:19

such a desperation to be interesting

no nova november

*get that shit right
don't get it twisted*

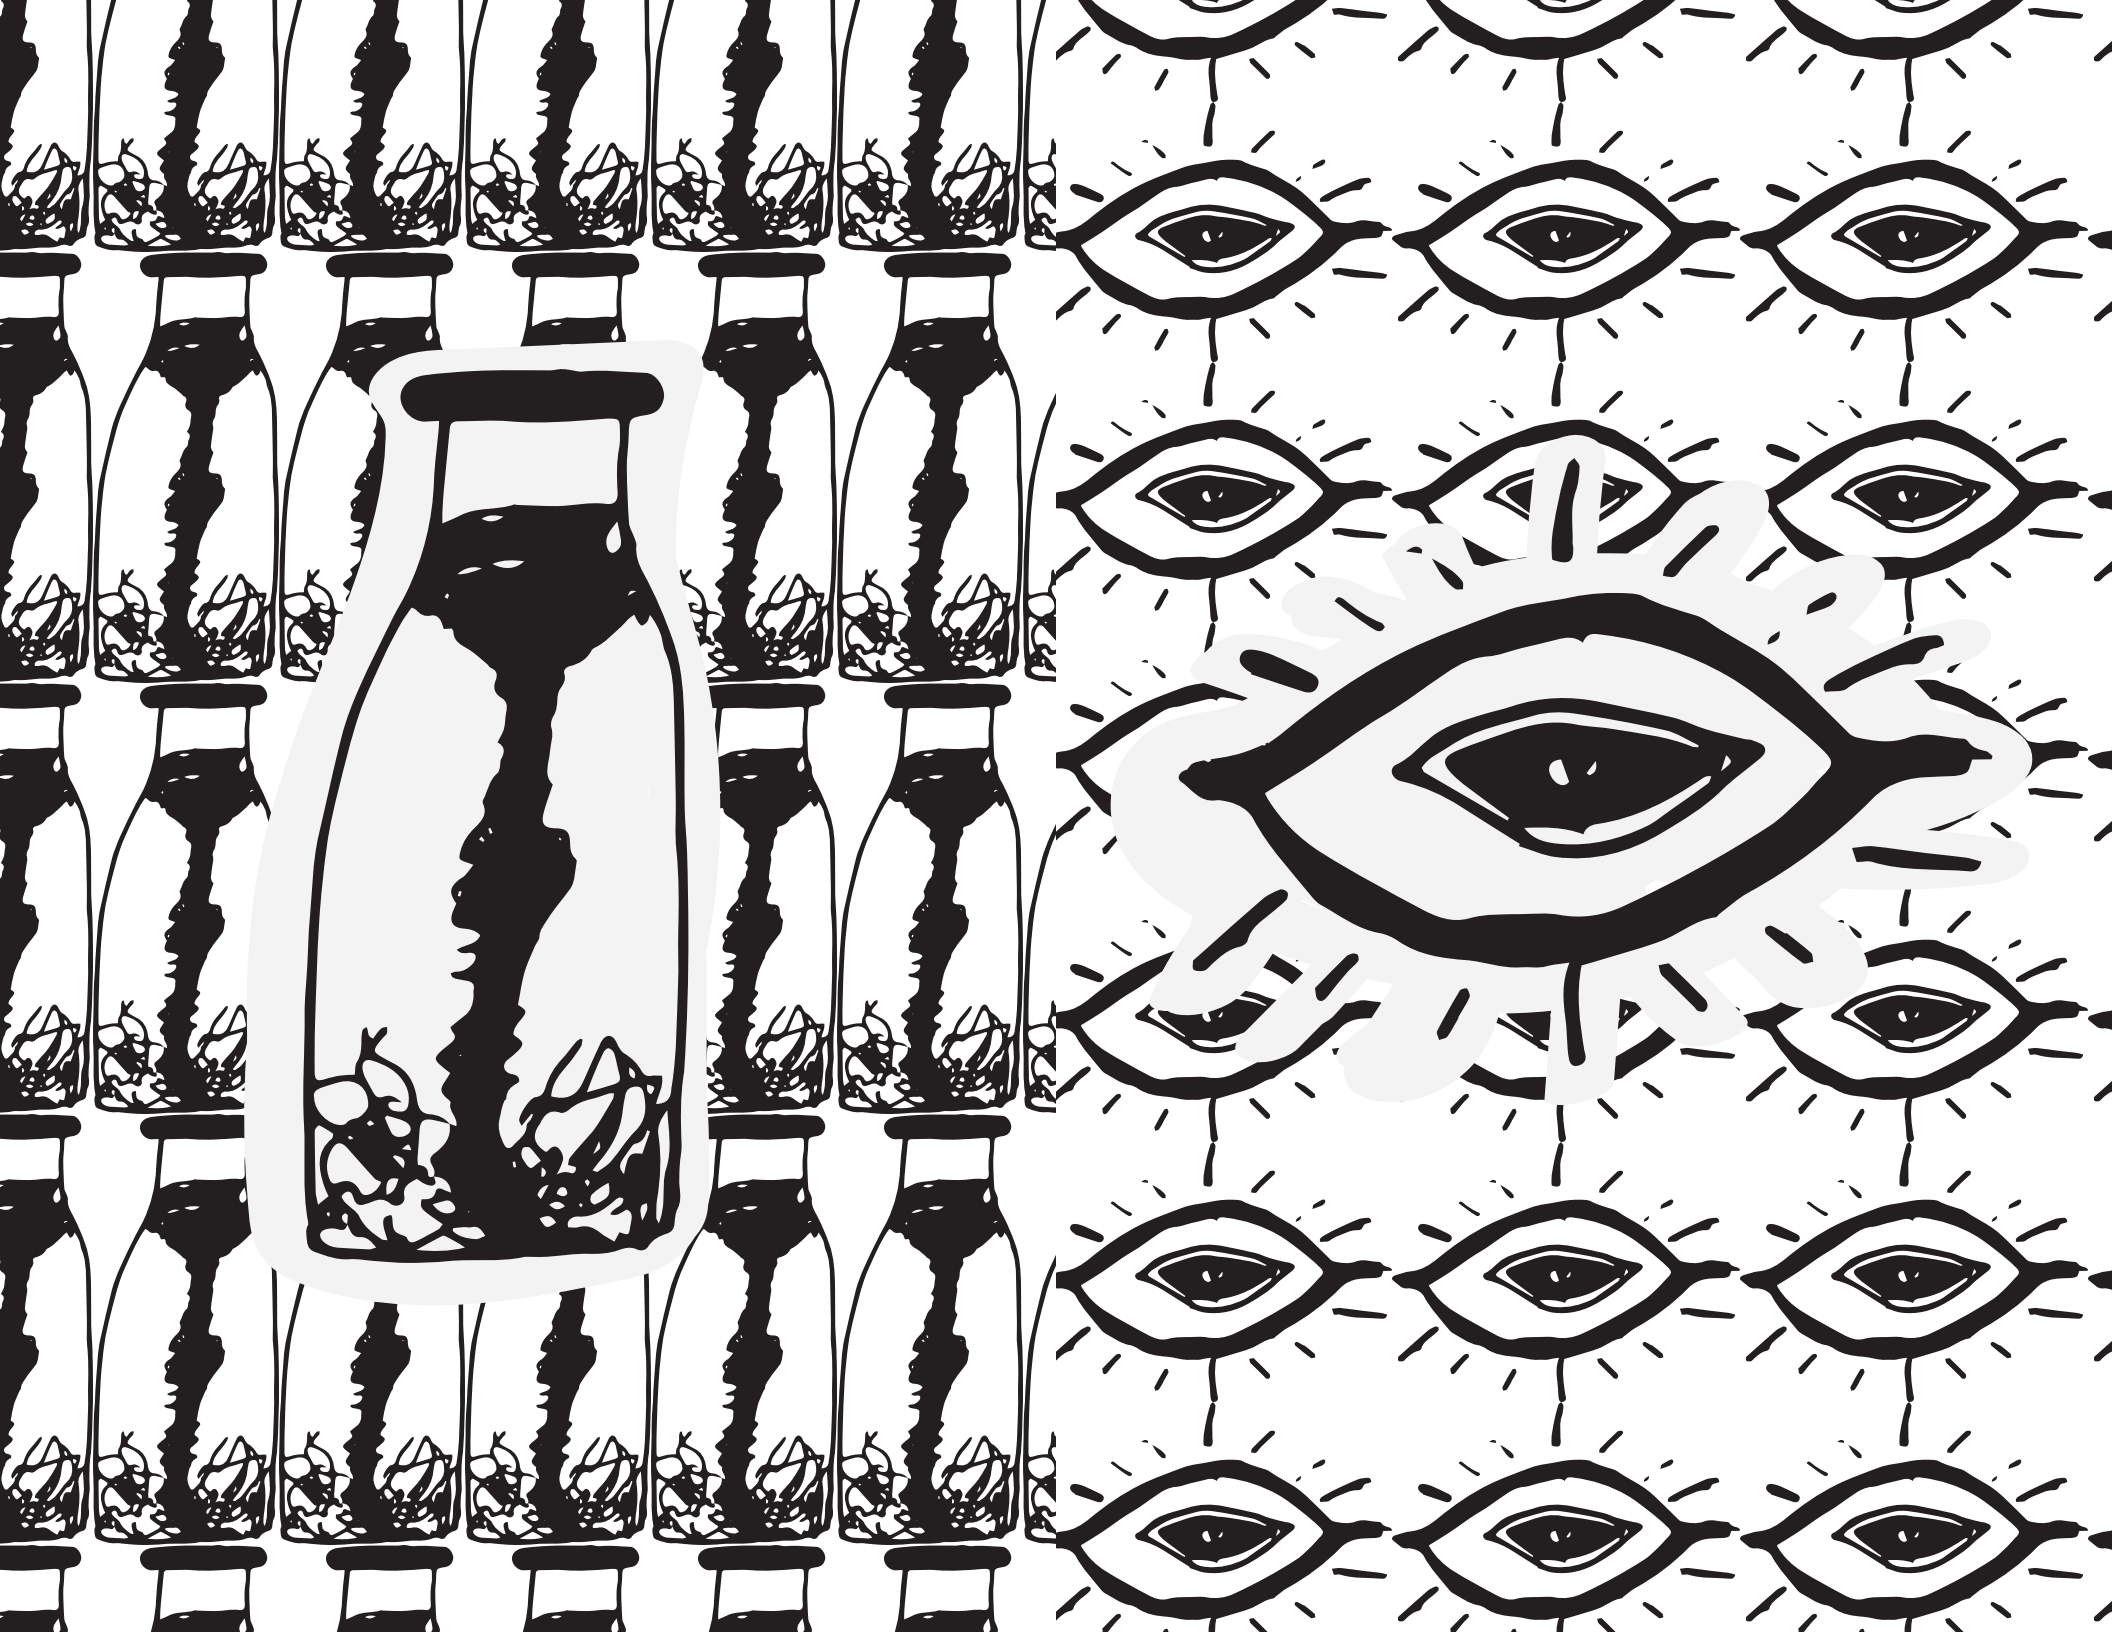

I was wrong. How I wish I knew I was wrong. I wish I knew I was wrong. I wish I knew I was wrong.

Please listen.

Please listen.

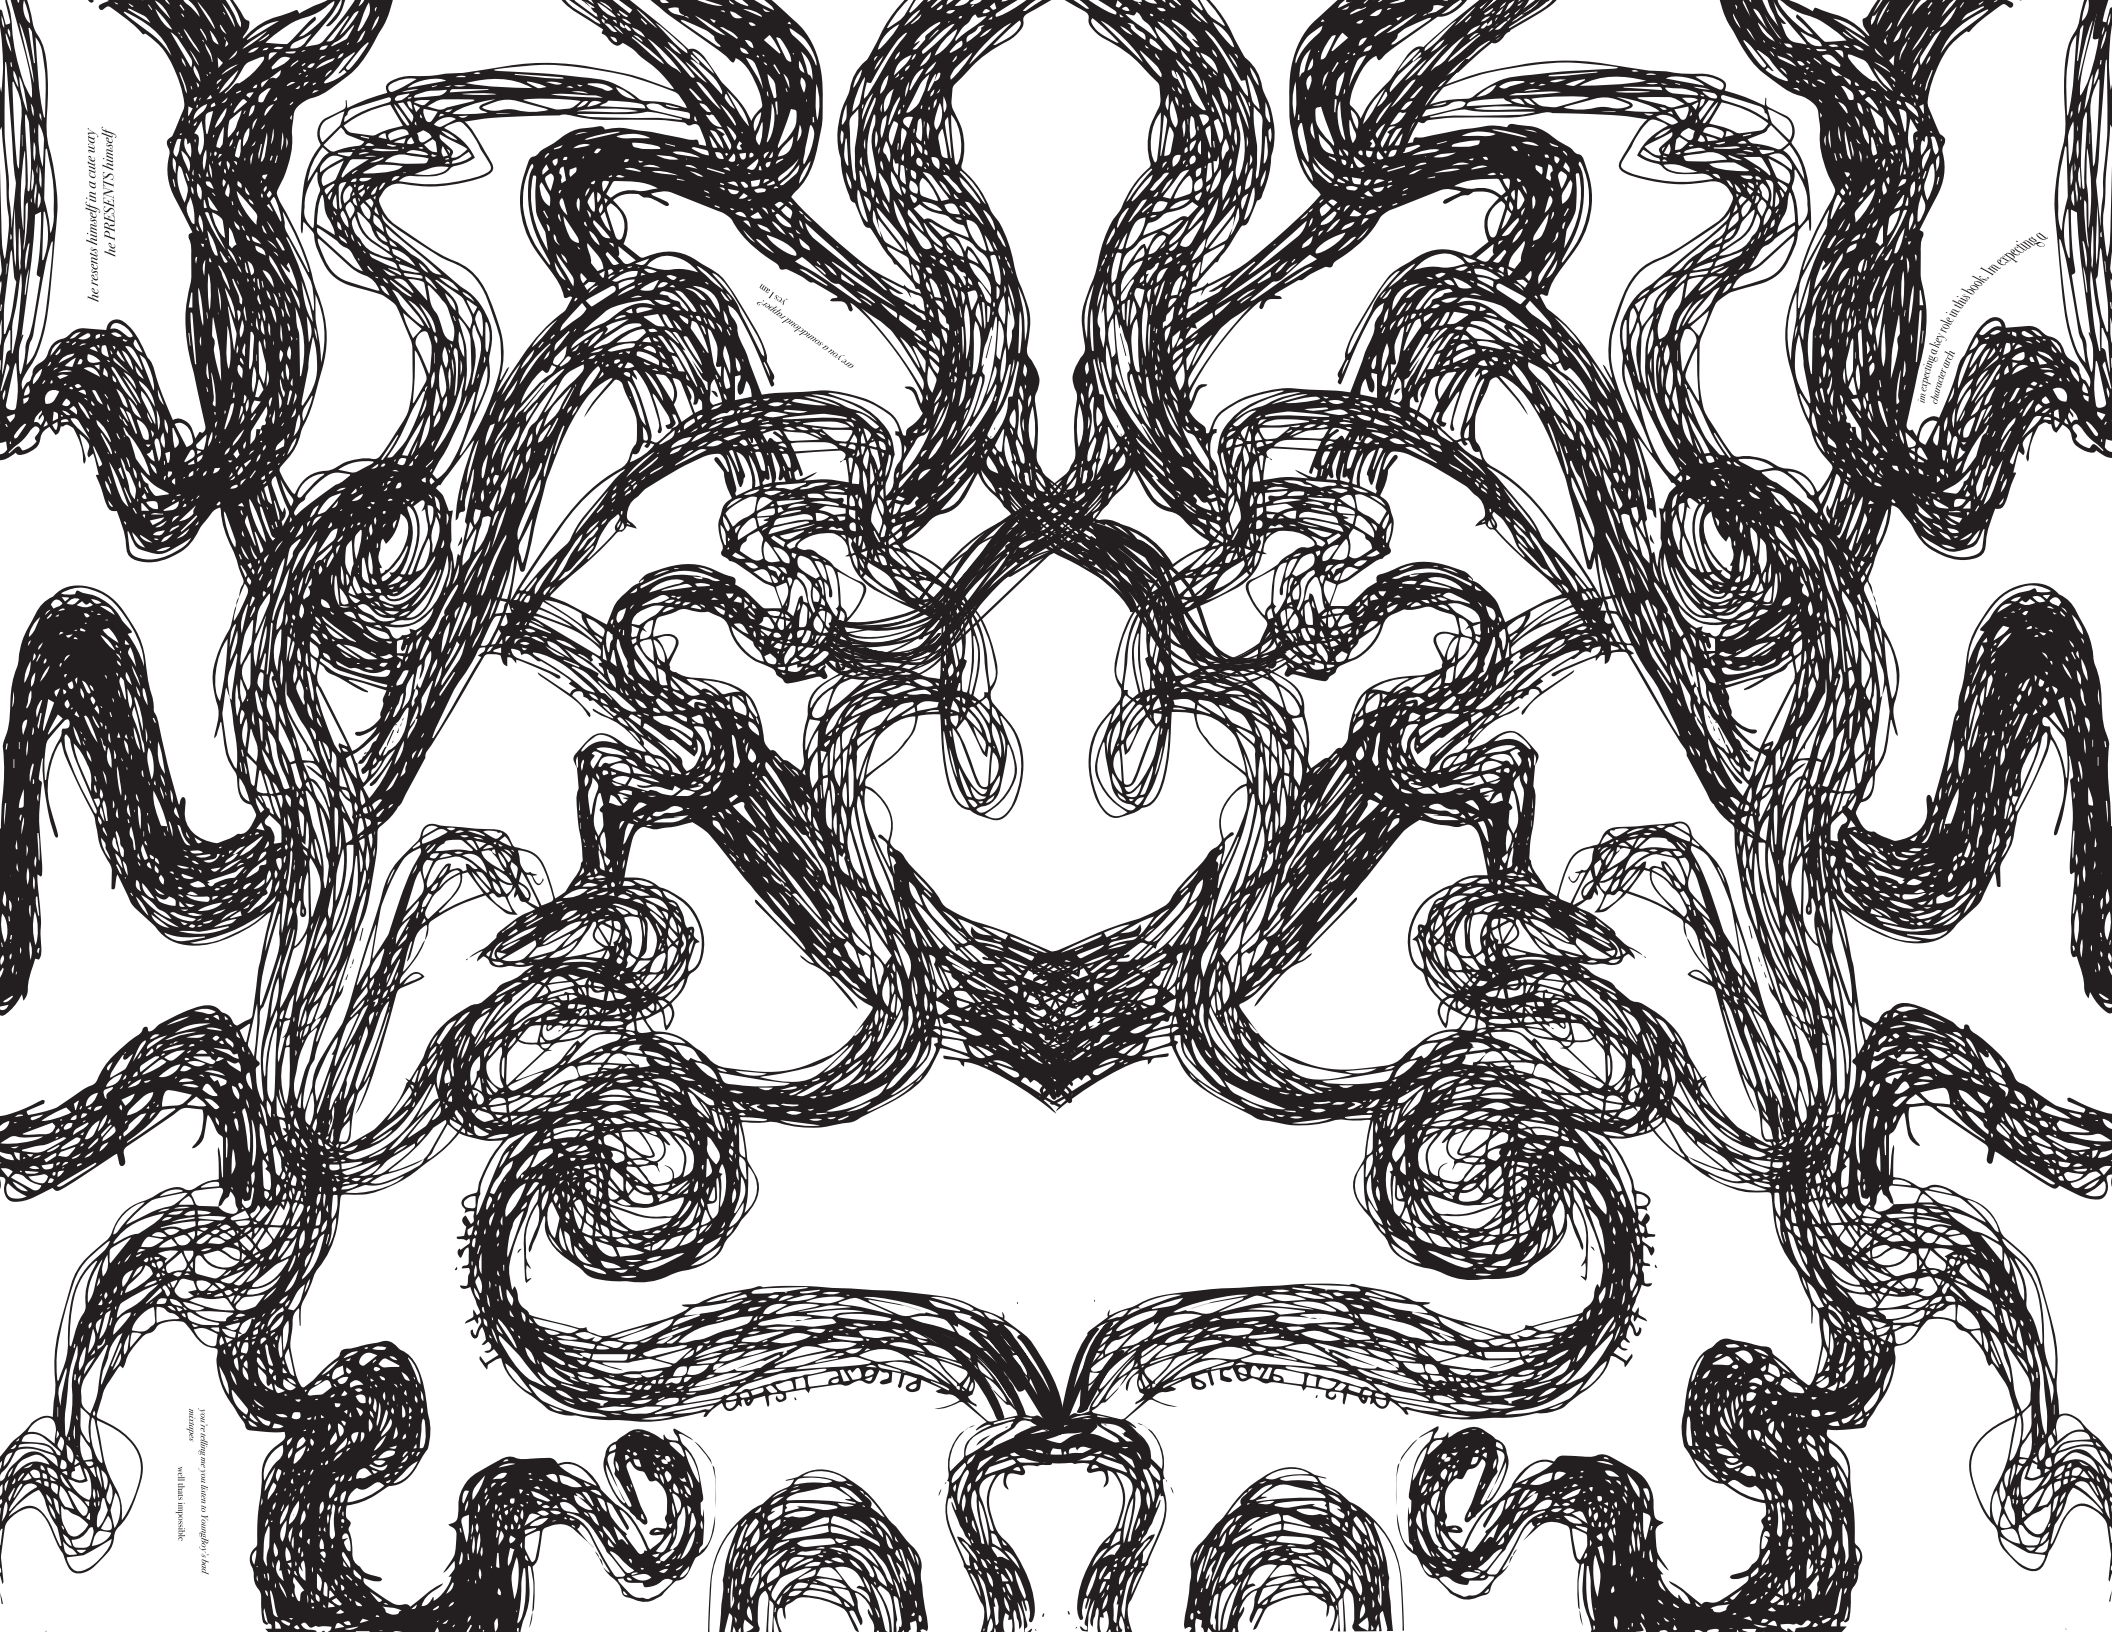

I don't want to be old. I don't want to be old. I don't want to be old. I don't want to be old.

...that the world has been so long. I don't want to be old. I don't want to be old. I don't want to be old.

welcome to coolsville population me

there are vices and there are evils

he reveals himself in a cute way

he PRESENTS himself

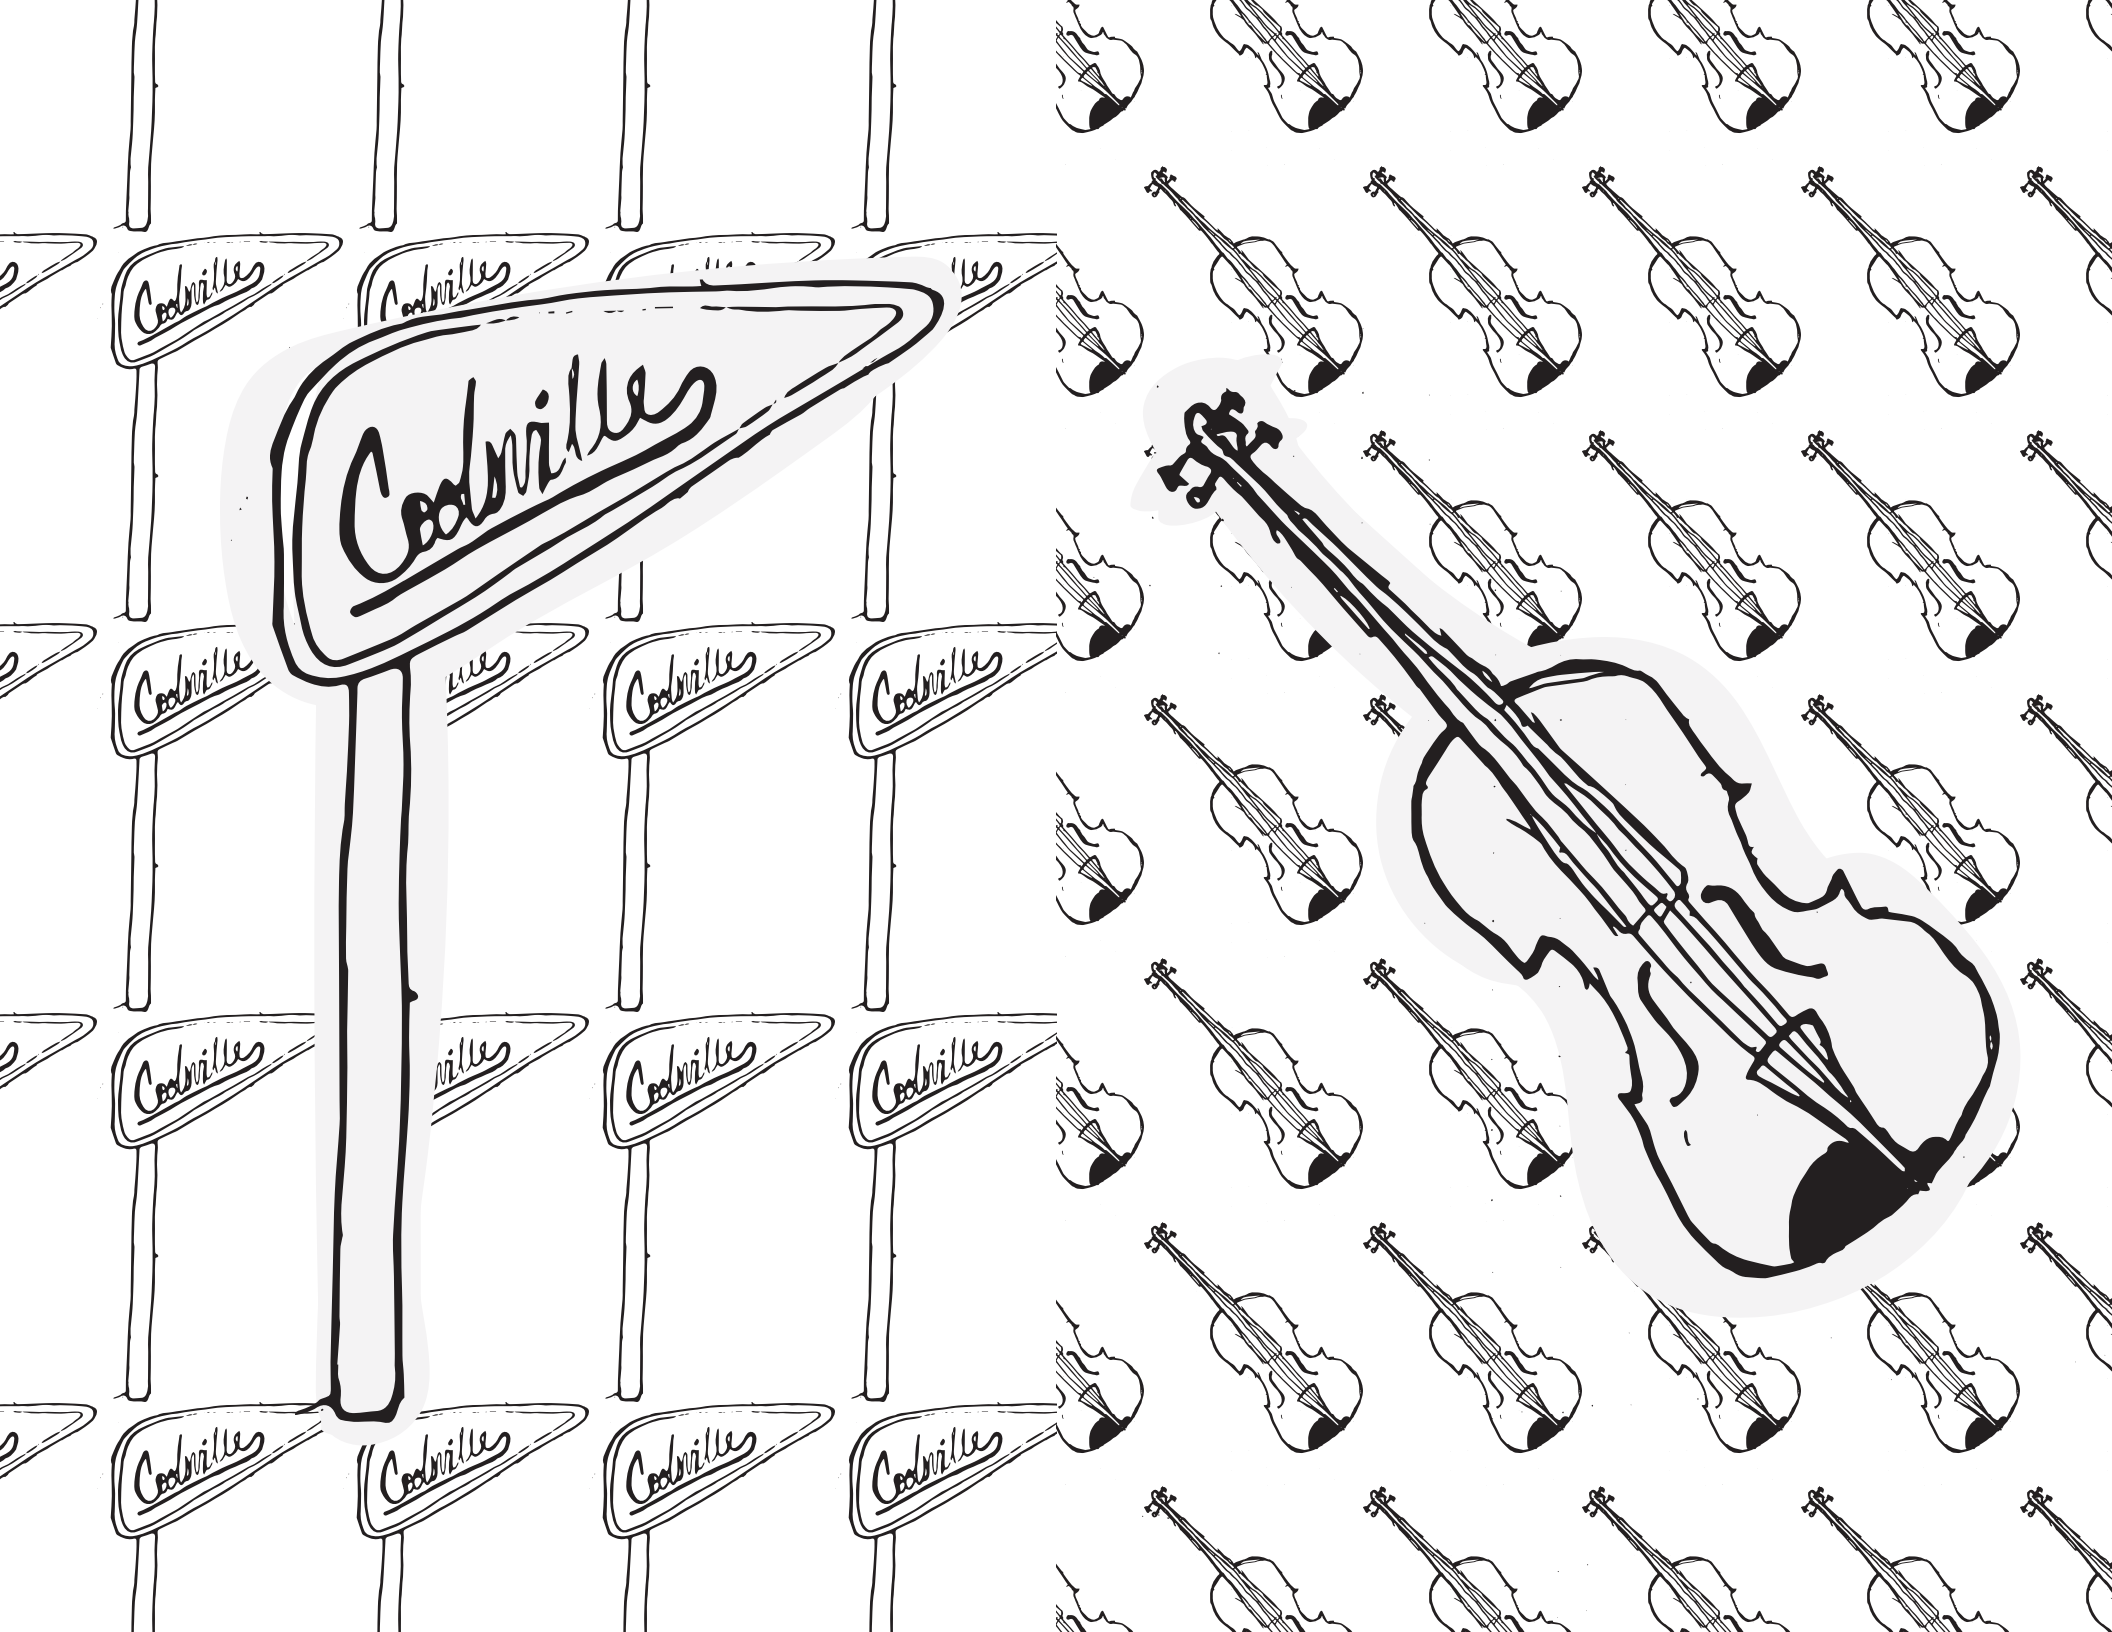

and just
couldn't stop drawing a cat, can

in opening the role in this book, I've written
in a simple

you're calling me home to home, I'm
happy
with this impossible

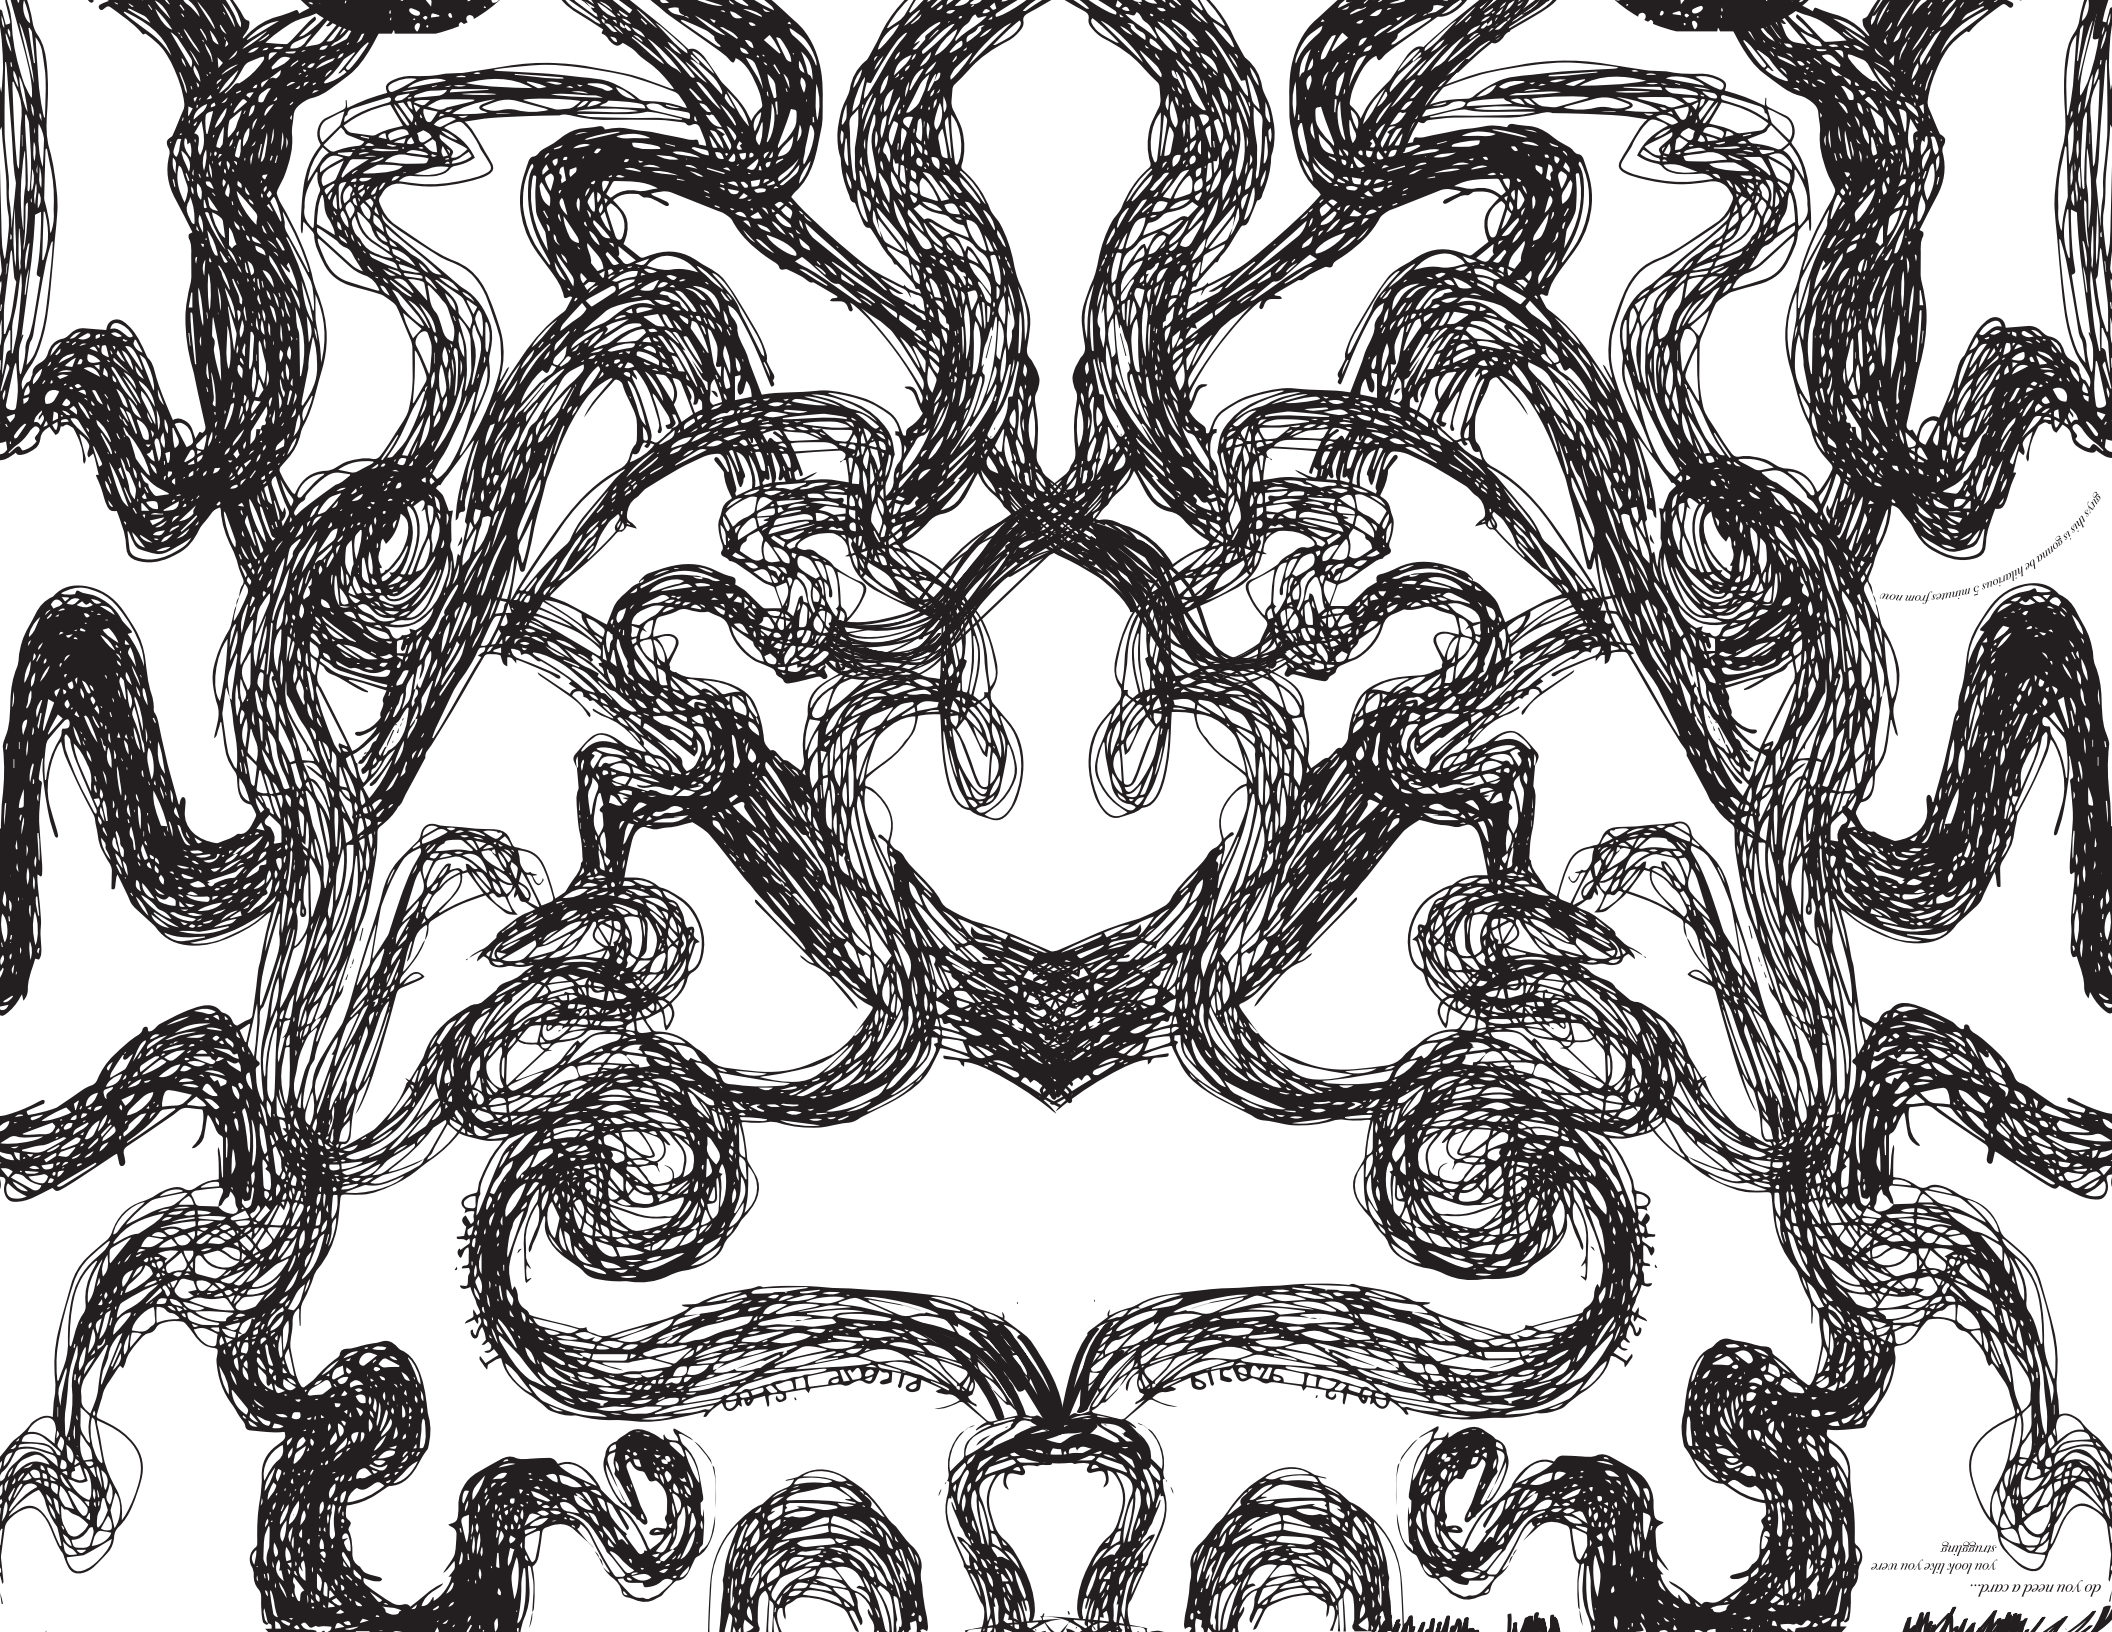

please listen

on 12th 170319

he played me like a fiddle

*If they're coming
then I'm leaving right now*

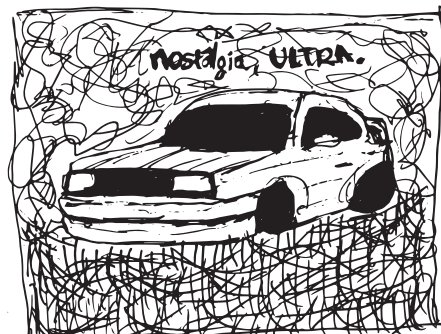

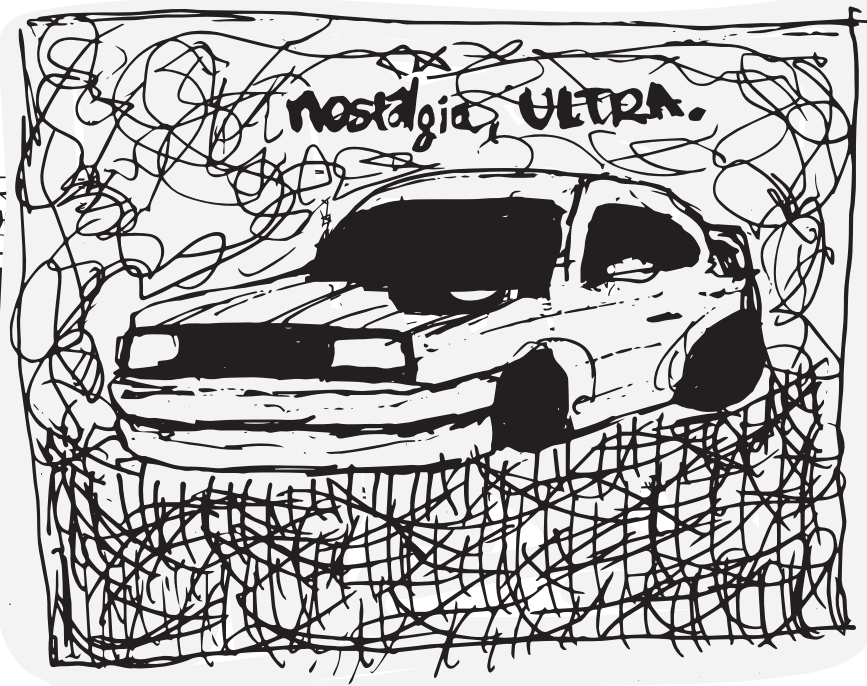

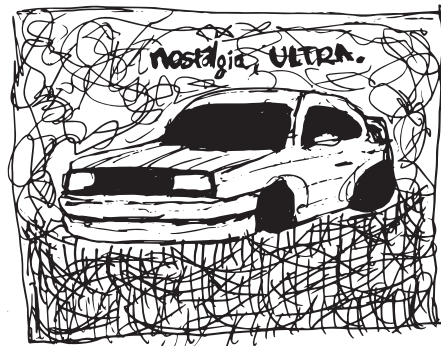

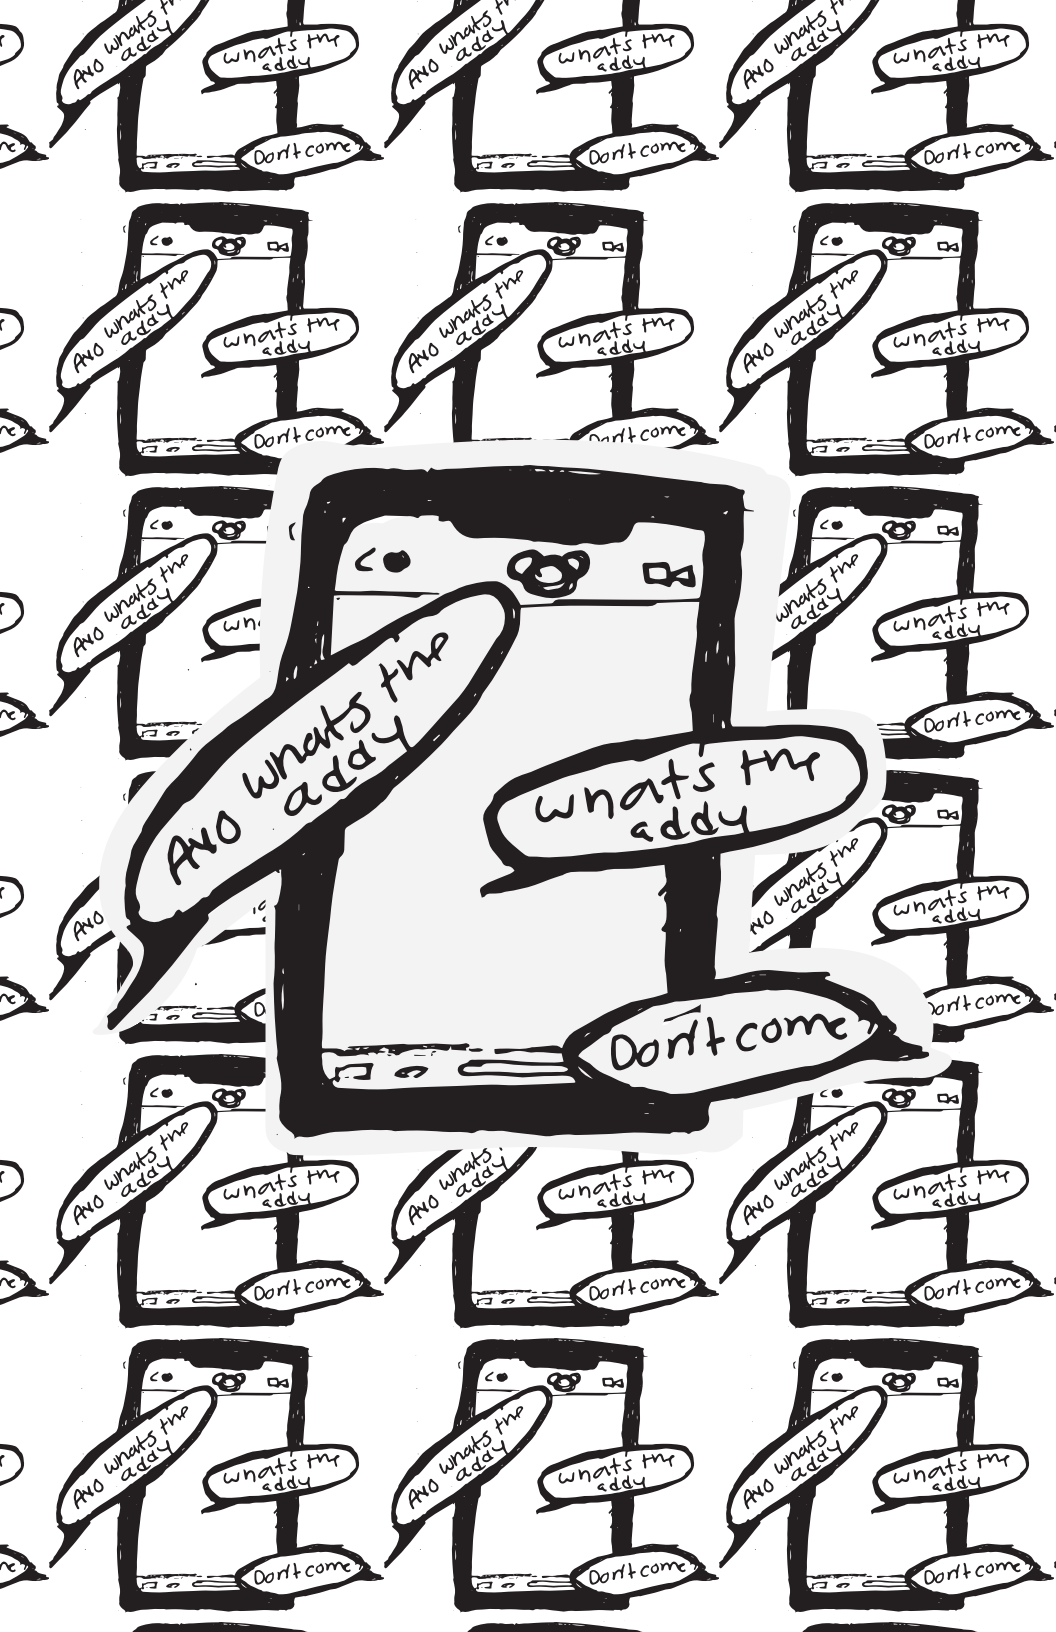

get this phone by tomorrow 5 minutes from now

please listen

on 12/11 9:03:19

do you need a card...
you look like you were
struggling

*What do they do at frank ocean concerts.
Do people just start crying*
